The first day of school — anticipation and dread

"And they're off!" It's another jump-start to the beginning of the 1985-86 school year.

Turner High School opened on Wednesday, August 28, for the first full day of school, with only 179 remaining.

"Paula Clark, sophomore, commented, "The first week of school was pretty much like Jr. High. There were a lot more people, but you get used to them really fast. I thought it would be hard to find classrooms, but even that was easy by the second day. I also thought the seniors would give us trouble since we were new and all, but they were nice! The first week wasn't at all what I thought it would be!"

The orientation assembly was held at 8:00 A.M. on August 29, in the auditorium.

The assembly, which lasted about 45 minutes began with a flag salute and ended with a speech from Coach Carmody on the Fall Sports Program.

Above: *Chris Baker and Pansy Simmons reunited after the summer vacation.*

Below: *Teresa Brown and Mickey Gonzalez are paying Mrs. North their school fees.*

friends, excitement, homework

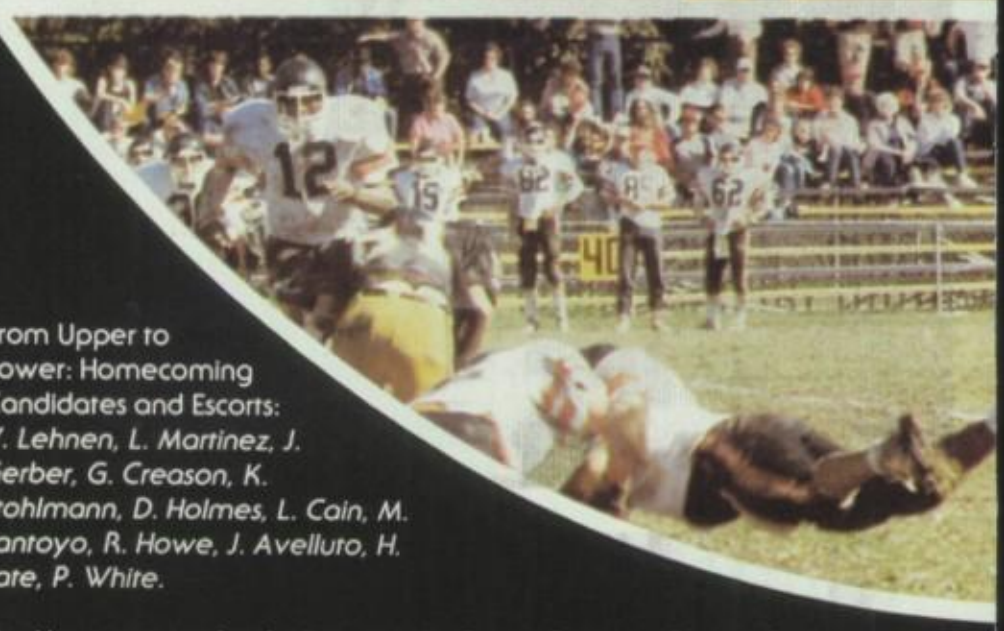
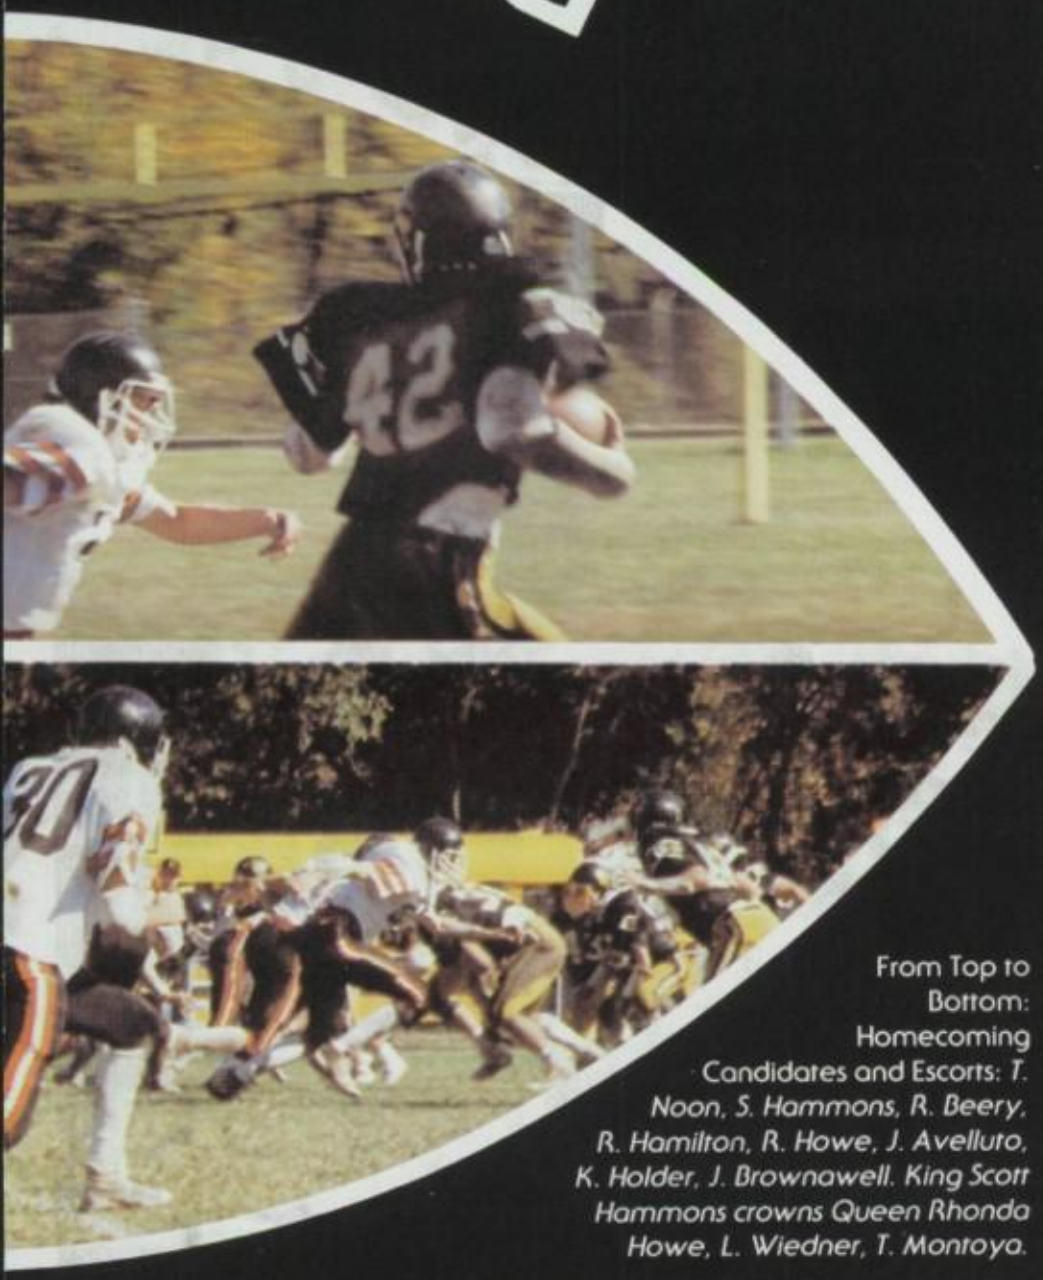
TURNER ON 1985 HOME



From Upper to Lower: Homecoming Candidates and Escorts: *V. Lehnen, L. Martinez, J. Gerber, G. Creason, K. Strohlmann, D. Holmes, L. Cain, M. Santoyo, R. Howe, J. Avelluto, H. Tate, P. White.*

The Homecoming football game: the Turner Bears vs. Bonner Braves was a very exciting 16 to 8 VICTORY for the bears.

THE RISE TO COMING



From Top to Bottom: Homecoming Candidates and Escorts: *T. Noon, S. Hammons, R. Beery, R. Hamilton, R. Howe, J. Avelluto, K. Holder, J. Brownawell. King Scott Hammons crowns Queen Rhonda Howe, L. Wiedner, T. Montoya.*

The above pictures are just a few plays that were put towards our winning.

TURNER DAYS PARADE

The first annual Turner Days Parade was held on Oct. 12, at 10:30 a.m. The parade started at Pierson Park and proceeded down 55th to Miami, ending at the football stadium.

There was a lot of participation by community members throughout the parade.

HOMECOMING DANCE

"Turner on the Rise" was the theme of the 1985 Homecoming Dance. The dance was on the Saturday night of the homecoming game. This dance was sponsored by the Student Council. The music was put on by our own Mr. Gicolone. There was food, music, and fun for everyone.

Upper Left: *People dancing at the Homecoming Dance.*

Center: *Diane VandeVelde, Gina Zanatta, Donnie Jaster, and Lisa Coyazo.*

Lower Left: *Shane Carpenter, Buddy Savery, and Willie Nagle.*

Lower Right: *Warren Kennedy and Beth Briggs.*

Turner Days — A Weekend of Celebration

The official opening of the Turner Days celebration started off with the striking of the Turner Days Banner.

On September 3, students were dismissed from second hour classes to assemble in front of the building for the Banner Ceremony.

Mayor Jack Reardon spoke to the students on pride in our Community. He also urged participation in the Turner Days Activitites.

The release of about 1800 balloons by grade school students on the afternoon of Friday, October 11, marked the opening of the weekend celebration.

The dreary Saturday morning skies began to clear and gave way to a bright sunny day as the Turner Days and Homecoming Parade rolled down 55th and people gathered at the football field. Numerous activities were scheduled for Sunday, October 13 as the first ever Turner Days celebration continued. Events, including the Student Council Kiddie Carnival, hot air balloon rides, a tractor pull, and a variety of music and bands were held behind the high school. Booths that were set up around the grounds included everything from crafts to food stands.

A highlight of the day was the Walk of Fame presentation. The candidates met together to practice writing their names in the cement.

The day's events concluded with a slow pitch alumni game, finals for the volleyball tournament and a raffle drawing.

Homecoming

Candidates and escorts:

Senior class candidate and escort were:
Valerie Lehnen
Louis Martinez

Band candidate and escort were:
Laura Cain
Mike Santoyo

Pep Club candidate and escort were:
Rhonda Howe
Joe Avelluto

Student Council candidate and escort were:
Julie Gerber
Gary Creason

Football candidate and escort were:
Tami Noon
Scott Hammons

Volleyball candidate and escort were:
Rhonda Beery
Rob Hamilton

Cross Country candidate and escort were:
Kim Holder
Jay Brownawall

Soccer candidate and escort were:
Karnen Stohlman
Damon Holmes

Half-time Ceremony

Homecoming Queen Rhonda Howe was crowned during halftime ceremonies. Football candidate Scott Hammons was King.
The 1984 Homecoming Queen Leona Libeer and King Bob Hilgardner were a part of the afternoon's exciting activities. Leona Libeer crowned Rhonda Howe and then Rhonda handed out flowers to all the royalty at halftime.

The candidates for Homecoming Queen sat quietly waiting for the announcement of the Homecoming Queen.

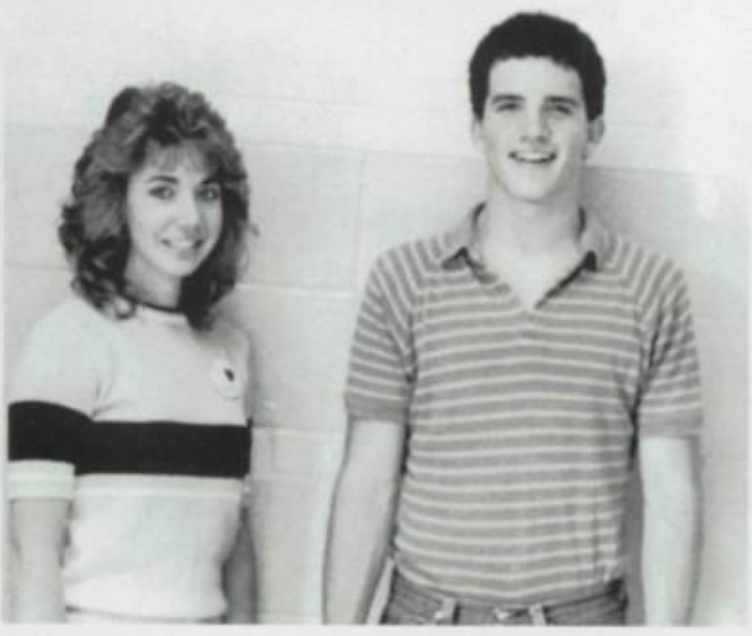
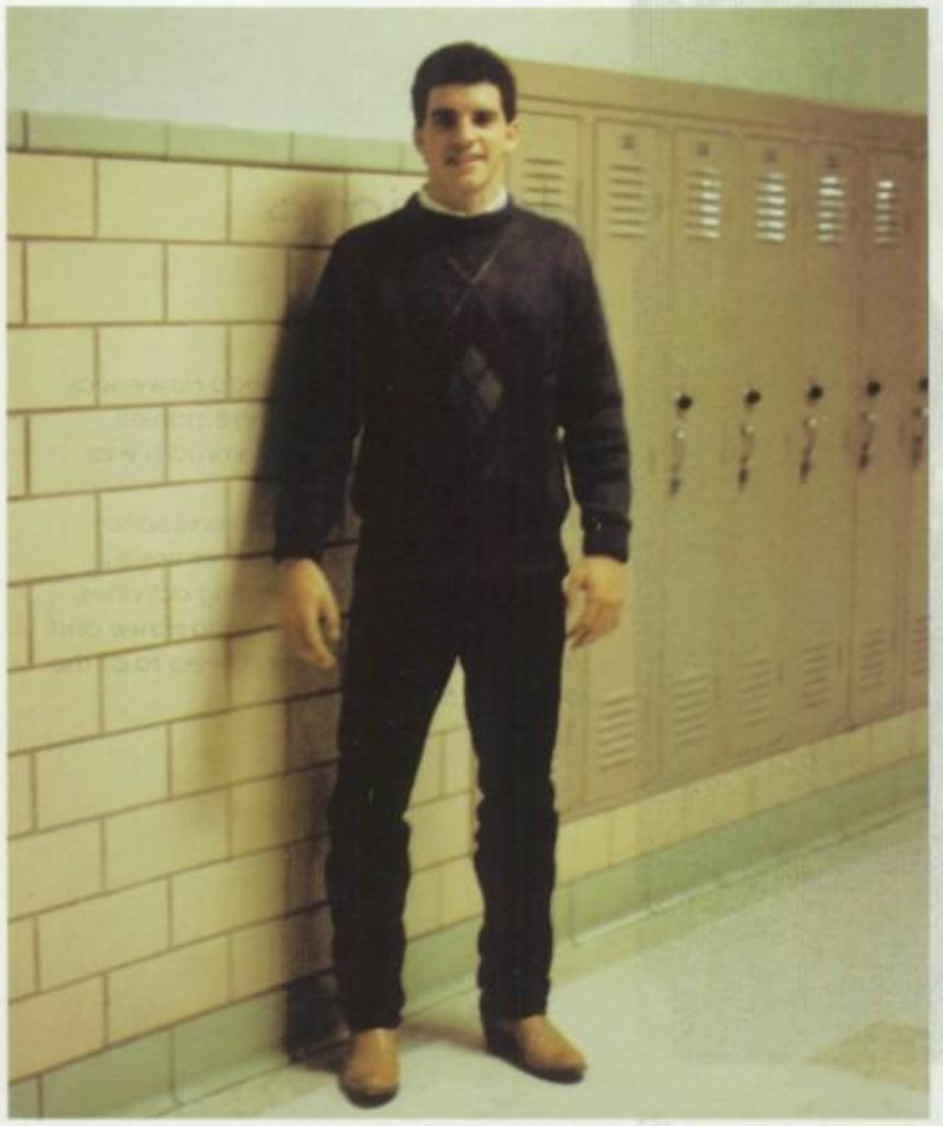
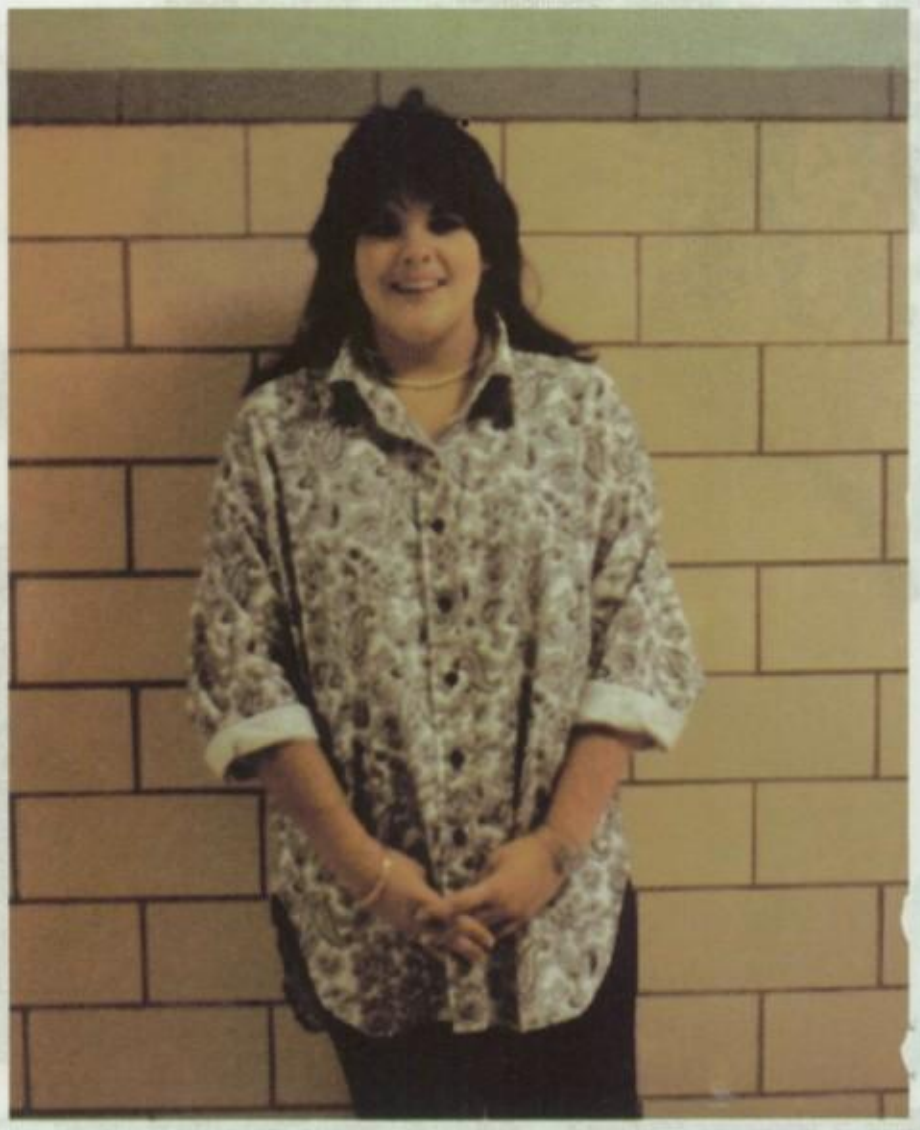
Terry Montoya



Students Wear





The trends for the 1985-1986 school year were greatly varied, ranging from outrageous plaids and paisleys to the more classic look of an oxford and sweater. Oversized shirts, and sweaters reappeared along with swatch watches, Reebok tennis shoes, and straight legged jeans. Many Turner boys sported oxford shirts often topped with a sweater, 501 jeans, and topsiders or high tops. Many Turner girls wore oversized solid, plaid or paisley shirts or sweaters, stirrup pants or super straight jeans and flats.

Peter White (upper left) is shown wearing a sweater, oxford shirt, corduroys, and cowboy boots. Kris Thurston (upper right) models an oversized paisley shirt and stirrup pants. Best friends Julie Hathaway and Stephanie Davis (left) pose for a picture in their fashionable sweaters. Elna Johnson (right) shows the more classic look of an angora sweater and plaid skirt. Pictured (below right) are some of the various shoes worn by Turner students.

the "In Thing"

"Diamond John" Herron (upper left) is seen wearing gray baggies, a black shirt, and tie. Tony Eagles and Kelly Orrick (center) model sunglasses and fashionable attire. Bryan Dobson (right) is shown wearing an oversized plaid shirt, 501's, and a Swatch watch. Chol Kim and Rusty Hylton (left center) fashion model their ever fashionable sunglasses. Chan Peck (right center) models an oxford shirt and wool pullover sweater. Tony Eagles (left) is pictured wearing a polo shirt, striped wool crew neck sweater and a wool scarf.

Summer Fun and Hang Outs

School is not a student's only concern. Believe it or not we don't spend all our time studying. Turner students can be seen all during the week out doing something.

The ever popular hang-out in Turner is Quick Trip. This is where people meet to discuss what they're going to do for the evening.

Over the summer Pierson Park became a popular hang-out. People would park their cars, turn on a radio, and talk to their friends.

Although losing some of its popularity, the Plaza was still a somewhat popular place to go.

This is where boys would look at girls and vice versa.

There is almost always a party in Turner if none of these other places appeal to you. Parties are the highlight of a weekend in Turner. Even if the host only tells a few people, there are always mobs of people that show up.

These are only a few of the things that Turner students do. There is always something to do in Turner. You can find it without even looking.

Academics

Turner High School with fifty-seven teachers, offers many different classes. The departments are Business, Home Economics, Industrial Arts, Physical Education, Vocal Programs, Art, Special Education, Learning Disabilities, Driver Education, Music, Foreign Languages, English, Social Studies, Math and Science.

Advanced Spanish Five students represent the apogee of foreign language study at the secondary level. Having shed the shackles of provincialism, these students now perceive and interpret reality through an additional reference. Vision is expanded while opportunity for both service and reward are enhanced.

Senor Heath

French is a combination of the study of grammar, culture and geography. The students are always interested in the differences and likenesses between the French and English language the French and America lifestyles.
Kevin B. Vickery

Advanced Computer Programming involves error free data entry and filing data on a disk by use of a computer.
Mr. Bruce Bowman

Chemistry practices making observations and from observation, we arrive at conclusions. We solve problems from systematic approach.
Mr. Bruce Bowman

Advanced Foods class stresses personal creativity in food preparation and presentation. The students create imaginative table settings, garnishes, elegant desserts and festive yeast breads. They study food preservation and convenience foods. Emphasis is also given to the preparation of ethnic and foreign foods.

Administration

Be a dreamer, because as you dream, it is sure to stir your interest and curiosity. Allow interest and curiosity to develop naturally and they will refine themselves into enthusiasm. I would like you to remember what one of America's greatest writers, Ralph Waldo Emerson, said:

"Every great and commanding movement in the annals of the world is the triumph of enthusiasm. Nothing great was ever achieved without it."

Emerson, Henry Ford, Thomas Edison and many other enthusiastic people were dreamers. But they were different from ordinary people because they *reached* for their dreams. They turned imagination into reality. We all have dreams. But why just dream when we can *act?* Why imagine great things when we can accomplish them? I challenge you to turn your dreams into reasonable *worthwhile* goals. Activate your talents. Be confident and persistent. Reach for your dreams. They are closer than you think. **Richard E. Fuller, Principal**

The greatest waste of our natural resources is the number of people who *never* achieve their potential. Get out of that slow lane. Shift into that fast lane. If you think you can't, you won't. If you think you *can,* there's a *good chance* you *will.* Even making the effort will make you feel like a new person. Reputations are made by searching for things that can't be done and doing them. Aim low . . . be boring Aim High . . . go soaring. **Bill Florke, Assistant Principal**

Attributes separating us from other species is our ability to make and use tools. From the jawbone used as a club or hammer to the micro computer with its multiplicity of uses we have displayed the ability to invent that which was needed to solve particular problems in order to promote civilization.

Not all of our inventive tools, have been for our collective benefit. Today, we live in a world where our "success" has given us the ability to bring about our collective destruction.

In addition, the psychological tools that we have developed to understand ourselves and get along with others have not kept pace with the tools of technology. We seem to know far more about how to hurt than how to help.

Given these circumstances, education should strive to make us aware of the vast number of tools, Technological and psychological, that can be used on problems of today and tomorrow. Let us hope that we never exhaust our ability to find the right tools to reach those solutions that are a benefit to all. As the famous sociologist Abraham Marlow said, "If the only tool you have is a hammer, you tend to see every problem as a nail." **Ted Berard, Assistant Principal**

Although Mr. Mike Ewing is new to our high school, he's not new to the Turner District. Mr. Ewing taught at Highland for 5 years. He attended high school in Walter, Ok. Mr. Ewing is a graduate of Baker University.

Mr. Ewing has participated in football, track, Student Council, FFA, Dorm Council and he is a member of Cappa Signa Fraternity.

Mr. Ewing teaches Health and Physical Education. His long range goals are to get his Master of Education in Administration and to one day teach in a college atmosphere.

Mr. Ewing is the assistant football coach and the assistant track coach. The thing he likes most about Turner is the kids newborn spirit.

Mrs. Nancy Langhofer is new to the Guidance Office this year. She graduated from Memorial High School in Tulsa, Oklahoma, she received her degree from University of Kansas and received her masters from Emporia State University. There she took part in many school activities, music, Drama, Thespian Club, Pep Club, Student Council and she performed in several school musicals. In college she was active in concert chorale Music Sorority and was dorm residence society and class officer her freshman and sophomore years.

Mrs. Langhofer taught for 2 years as a music therapist for mentally retarded children. Then went on to be a counselor for another 2 years. She is certified in parent effectiveness training and she especially likes to direct children's choir.

She feels her greatest achievement is raising her 4 year old son and her 8 year old daughter.

The thing she likes most about Turner is the overall friendliness and cooperation of students and staff and the small town atmosphere in a large city. Her long range goals are to at some point teach at a college, to always work with people in a social setting, and to be in some form of education continuing to help others.

Mrs. Langhofer said she always dreamed of singing or acting on Broadway or to be a fashion counselor.

When asked what her high school classmates would remember most about her she replied "that I was very friendly, somewhat crazy and that I was not a top-notch student."

Mrs. Jackie Smith is another new teacher at Turner High School. Mrs. Smith graduated from Paton High School in Churdan, Iowa. She then attended college at Northwest Missouri State University, and graduate school Drake University. She participated in Chorus and Kappa Delta Pie.

She has taught for 8 years, and teaches OEA.

Her long range goals are to get her Masters in Business and to always teach. During school she always wanted to be a business teacher.

When asked what her high school classmates would remember most about her she replied "That I had red hair and I was very talkative."

Mrs. Debra Boyert is Turner High School's new school nurse.

She graduated from Rosedale High School and attended college at Kansas City Community College and Saint Mary's in Leavenworth. She took part in pep club, German Club and Honor Society, also in future teachers, safety club AFS which is American Field Service.

She has been a nurse for 11 years. Those years included working at Bethany, the Health Department, and the Industrial Clinic. The thing she likes most about Turner High School is the friendly attitude and the responsibility the student body demonstrates. Her goals are to continue an educational profession, and to raise her children. Mrs. Boyert says her high school classmates would remember her as studying a lot and very serious.

New Faces at T.H.S.

This is Ms. Carolyn Eighmey's first year at the high school although she has taught in the Turner District for 12 years now.

Ms. Eighmey graduated from Wichita High Scool and received her degree from the University of Kansas. She participated in the journalism publication, in Drama, student government, and Greek Council. She was also Ms. Sorority in College.

Ms. Eighmey teaches English 10, Humanities, American Literature, World Literature, Composition. Ms. Eighmeny received a scholarship to England the summer of 1983.

She participates in many activities outside of school, she belongs to Friends of Art, English Speaking Union, and the International Relations Council.

The thing she likes most about Turner is that she already knows half the students and they've all been friendly and nice.

Her long range goals are to continue teaching to refine the art of teaching. All through her high school years she always wanted to be a singer and wanted to major in music.

After being asked what her high school classmates would remember most about her, she replied "that she was very competitive academically and very creative."

Another new teacher is Mrs. Julia Feiring, the new L.D. teacher.

Mrs. Feiring graduated from Westport High School and continued on the University of Missouri and K-State to receive her degree.

She participated in many school activities such as: Foreign Language Club and Student affairs.

Mrs. Feirings dream was to be an author but Turner High School is fortunate enough to have her here with us. She has been teaching for 12 years at schools which include Perry LeCompton High School and Raytown Elementary School.

The thing Mrs. Feiring likes most about Turner is the kids. Her long range goals for the future is to improve the education of the students in her classes.

When asked what her high school classmates would remember most about her she replied "They'd remember me as being silly."

This is Mrs. Kathleen Whitaker's 5th year of teaching high school before that she had taught pre-school for 3 years. Mrs. Whitaker attended Southwest High School. In high school she took part in many school activities: Literary Society, Y-teens and she worked on the school newspaper. She then went on to attend Missouri University continued her education at Kansas University. In college her activities included publicity committee for musicals and again she worked on the newspaper.

Mrs. Whitaker considers raising her two daughters her greatest achievement. The thing she likes most about Turner is the people. During her years in school her dream was to be a newspaper reporter or a social worker.

Mrs. Whitaker says her high school classmates would remember her most for being very quiet but still friendly.

Ms. Nothnagel is also new this year. She's a graduate of South Shelby High School. She attended college at North East Missouri State University.

She has been teaching for 7 years, 2 of those years were spent here in Turner.

While in school, she took part in Pep Club, National Honor Society, Art Club an Student Council.

Ms. Nothnagel teaches printmaking and Drawing and also teaches Art 7 and 9 at Highland Junior High School.

The thing she likes most about Turner is the friendliness of students and faculty. Her long range goals are to go back to school and one day teach at a college. All through school she always wanted to be a teacher.

Ms. Nothnagel said that if her high school classmates were asked what they remembered most about her they would remember her as really intelligent and a straight A student.

Nancy Hutchins is a senior who knows this district like the back of her hand because she has been in this district all her life.

Nancy is a very good seamstress. She enjoys sewing in her free time. With her sewing is like another job because people ask her to sew things all the time.

The involvement in clubs for Nancy is Kayettes. She enjoys this club, because it helps the community.

In her free time she likes to go out with her boyfriend Brad Egbert who is a Turner graduate. In Nancy's overall opinion "Turner is the finest!!!"

Marc Magerl was a senior this year. His favorite hobbies are collecting hats and building models. In his spare time he watches a lot of football, baseball and basketball. His goal for his senior year is to get good grades and to graduate. His favorite teacher is Mr. Lynch and his favorite class is Vocational Printing. In the two years he has had Mr. Lynch he says he has learned a lot from him. He is planning on staying with printing and getting a job after school for a printing company. He has attended Turner for three years and the things he likes most is that it has a lot of activities to participate in. He now has a job at Thriftway on Gibbs Road.

The 85-86 school year was **Karen Stolhmann's** final year of High School. As a senior, Karen was very active in the High School. She was one of two girls on the Bear's soccer team, and the only senior girl on the team. When asked how she felt about being the only senior girl, Karen responded by saying, "I enjoy playing soccer; and being a female wasn't going to stand in the way."

Karen was also very active in the band, she was Vice-President of the National Honor Society, a member of the Quiz Bowl Team, and active in KAYS. In addition to these interests she also works part-time at Pizza Hut.

Karen said, "I hope to attend a small college in Kansas and study business marketing or possibly accounting after I graduate." Her overall feelings of Turner when asked Karen said that she moved around a lot when she was young and she's glad that her family ended up in Turner because "it's a nice place to grow up."

Kim Holder went to grammar school at Junction and junior high at Highland.

Kim has played softball, track, cross country, basketball and volleyball throughout her school years. This year Kim played softball and basketball. She was also in track and cross country. She was recognized in the Kansan for cross country and softball, in the Star for softball.

In Kim's spare time she runs, cruises, dates, watches television and eats at the Lobster Pot. She also participated in Spanish Club and was the treasurer of Kays. In the summer she works at V.F.W. Kim's favorite class is Spanish and her favorite teacher is Mrs. McDonald.

She likes the people here at Turner. But she dislikes their lack of spirit, she'd like to get everyone involved in activities.

Kim likes to spend time with her father. She admires him because he is smart and she can trust him.

Kim's hopes are to go to college, become a mechanical engineer and some day visit Australia.

Peggy Higginbotham went to Highland Junior High, Junction Elementary. She was involved in Pep Club here at THS, and Drama and Pep Club at Highland.

Peggy likes to sew, listen to the radio, and crochet. She also knows how to type, keep shorthand, speak French, and work on business machines.

Her favorite class is typing and her favorite teacher is Mrs. Parker. She likes Turner because she says, "School gives me a sense of accomplishment and satisfaction to learn something new every day."

Peggy plans to travel after high school and someday go to college to study business.

Peggy's favorite time of the year is summer because "you have more freedom; you can lay around and you don't have a tight schedule."

Simply Maahvelous . . .

Jeanna Suman is a very active person in student council. She is in the Spanish Club, and Pep Club. She is also in the band which requires a lot of practice time.

Jeanna works as a volunteer as a candy striper. She hopes that this will help her in the future, because she plans to become a nurse.

Jeanna has attended the Turner District since Kindergarten. She said, "The district's teachers and students are easy to get along with. And I'm proud to say I attend THS."

Bryon Bowman is a well known Junior. He is involved in Student Council and DECA. Bryon has played on the Soccer team the last two years and has also played baseball. His hobbies include sports of all kinds, outdoor activities, water skiing and working on his car. In his free time he goes out with his friends. Bryon works at JC Penney's Outlet in the evenings and on weekends.

After High School, Bryon plans on going to college and majoring in Business Administration or Marketing. His overall opinion of THS is that Turner is a pretty decent school, but a lot of people seem to put it down. Bryon really likes the improved spirit that Turner has shown this year.

Dy • Na • Mite

Keith Buck is a junior and has lived in the Turner District since 1976.

The clubs that Keith devotes his time to are: Student Council and DECA. Keith has plans to run for office his Senior year in Stuco.

This year Keith is secretary of DECA. He is busy writing for the Booster.

Keith does not have much free time because he works many hours at Lake Quivera Country Club. The money made is put away for a new car.

Keith enjoys many things but especially photography.

He would like to be either a psychologist, or a counselor. He will probably attend University of Kansas.

Keith thinks that Turner is the place to be, because it is very much on the rise and he is a part of it.

Carmen Goodall is a junior with great spirit. Carmen has been involved in many extra-curricular activities since she was on drill team at Highland Junior High.

Her enthusiasm continues for many years with her participation in clubs and activities. The clubs that she was in this year are pep club, Kayettes, Vice Squad, Drill Team and Student Council. Carmen said, "Student Council is my favorite club, because it gets you involved with the school and community." Carmen was vice president of stu-co her 9th grade year and she plans to run for president her senior year.

Busy is the word! Working and being on the drill team does not give her very much free time. When asked where she worked, she laughed and said, "Long John Silvers, but it's a job," as she put it.

Carmen's plans for the future are still not very final but she is thinking about going to K.U. after she graduates.

Right now the most important thing to Carmen is to make sure that her high school years are unforgettable!

Driving to School . . .

Angie Gilley is a very active student. She played softball her sophomore year, and junior year. Angie's hobbies include all kinds of sports, and also she is involved in her church activities. After graduation Angie plans to attend a private college in California or Texas to major in Education. She is presently employed at Burger King. Angie's favorite subject is French and her favorite teacher is Mr. Bowman.

Jamie Farris is a very proud Turner High student. Her goals for Turner are to get people involved in school activities, and to have as much fun as possible. Jamie's future plans are to attend a year at a junior college and then attend KU to study medicine. She is very involved in school activities. Jamie plays volleyball, and softball, and is a member of Pep Club, Student Council, and she is also a member of Drill Team. Jamie loves to dance she would possibly like to start a career in dancing.

Not Being an Underclassman . . .

Shaun Gee a THS junior is very active in Turner Life. Shaun plays in the band, is a member of the Junior Executive Council, and participates in both Football and Wrestling. As a sophomore Shaun wrestled Varsity and placed 3rd in the EKL. Although Shaun is a member of the Varsity Football squad he didn't get to play much due to a knee injury suffered in the first game. When Shaun isn't busy with school activities he likes to go out with his friends or cruising in his 1986 Mazda SE-5 pickup truck.

Roxanne Hancock is a Junior this year at THS. She is active in KAYS, Math Club, Science Club, and worked on the Booster Staff. Roxanne's favorite hobbies are tennis, shopping, traveling, and she is a loyal Royal's Fan. Roxanne likes Italian food, rock music and fashion. She plans to attend college after she graduates and major in business. When asked how she felt about Turner overall, Roxanne replied, "I am proud to be attending THS."

Awesome . . .

Mickey Gonzalez, a Junior has many interests. His pets are unusual. He has a black scorpian and a pirana. He likes to listen to heavy metal music, his favorite group is Twisted Sister. When not at school or working at Safeway, Mickey enjoys going out with his friends and "Engaging in Wine, Women and Song," states Mickey, or just admiring his 1969 Black Cougar. Mickey's favorite teachers and classes are Mr. Schmeiding and his class Metals and Processing and Mr. Leinheim and his class Auto Mechanics. Mickey also likes drawing and ceramics. After graduating from Turner Mickey plans to go into the Navy.

Cot Mendez has extremely big plans for his future, Cot's main goal for his junior and senior year is to just get through school and to get a good job. After high school Cot plans to attend Central State Missouri University and study aviation. When he completes college he wants to be a pilot. Cot's hobbies are water skiing, playing basketball, football, working on his car, and shooting. He specializes in hand guns and their uses. After school Cot wants to and plans to work. Cot's favorite place to visit is the Lake of the Ozarks. At the lake he enjoys water skiing. His favorite movie is **Airwolf** and his favorite rock group is Bad Company.

Garry Redding attended elementary school in Colorado Springs. He went to junior high at St. Peters, Carson in Colorado Springs, and also Pierson. He has lived in Colorado, Missouri, California, Florida and now Kansas.

Garry is in Pep Club, and Spanish Club. He enjoys bowling. He was involved in basketball in junior high. His favorite class is Spanish II. His favorite teacher is Señor Heath. In his spare time he likes to camp out, bowl or eat at Mía Familia.

Garry really likes Turner. But he especially likes the girls from Highland. Garry said, "I hope in the future our school can improve in sports, expand in size, and improve the surrounding streets."

Garry plans to attend KU and sometime visit Spain.

Kim Paterson, sophomore, is new in the district but she adapted to Turner well. "Turner is great. It is a lot different from the school I went to in Missouri. Turner has more school spirit and more people show up to the games. Turner is all around better. I wish Turner had a better reputation. I don't think Turner is any worse than the other schools. I visited them when I played volleyball. They aren't any better. I'm proud to go to Turner for the rest of my high school years," said Kim.

She is involved in Youth For Christ, Volleyball, Pep Club, TAOTA, KAYS, and softball. Her favorite class is English and her favorite teacher is Mrs. Jones. Her hobbies are riding her bike, listening to the radio, reading, and going out for pizza with her friends.

Kim plans to go to college but she has not decided on a career.

Diane Heater is a sophomore at Turner High School. This is her third year of being a cheerleader and this year she is on the J.V. Cheerleading squad. She says, "I like being a cheerleader because I meet lots of people."

Her favorite thing to do on the weekends is party with her friends. She was also in the fall musical *Bye Bye Birdie*.

ACTIVITIES

The Year In Brief

They finally did it!! The Kansas City Royals defeated the St. Louis Cardinals 4 games to three in the 1985 World Series. "Kansas City was on top of the world." When the final out was made pandemonium broke loose. Everything from Cherry Bombs, M-1000's, M-80's to lady fingers were set off. Westport became the rowdiest place in Kansas City. The parade in honor of the Champions drew thousands of people. Many of the people were students from local schools. Those who weren't there to see it in person saw it on the television. It truly was a day to remember.

September 19, 1985, 1,500 miles away an earthquake struck Mexico City and killed numerous people. Many of the innocent victims had relatives in Kansas City. Hispanic Groups rushed and banned together with the Red Cross and Salvation Army to aid the survivors. A group of seven people went to Mexico City and distributed money to the survivors. The money was used for medical bills, clean-up, and construction costs.

January 7, 1986, President Reagan announced the United States would cut off all ties with Libya because of Anwar Kaffdafe Terrorists killings. Approximately 11 Americans were killed by the terrorists. This action went into effect no later than February 1, 1986. As soon as the President made the announcement the action went into effect. As a result of this the stock market (Dow Jones) dropped 40 points. This was an all time record breaker. In 1929 the stock market lost approximately 39 points and the country fell into the hands of a depression. However this didn't happen in '86 because the stock market had more volume.

All across the earth there is poverty. However, one single country appealed to the music artists of the U.S.A. The artists included Lionel Richie, Ray Charles, Tina Turner, Kenny Rogers, The Pointer Sisters, and many, many others. They created a song called "We Are The World" that took over 20 hours to make as a group effort plus several individual visits by the artists to the studio. During the group recording session they were visited by 2 Ethiopian ladies, who thanked the music artists personally in their native tongue and in English. There wasn't a dry eye in the entire studio. Finally the record was complete. "We Are The World" was a huge success. It was a smash hit.

The AIDS disease has become worse. This tragic disease took the life of movie star Rock Hudson. Hudson was 64 years old. To the people it seemed like he had discovered that he had the disease just a few days ago.

Halley's Comet has returned. It's a once in a lifetime chance to see it. Halley's Comet only comes around every 75 years. It will return again in 2061, according to what the scientists think anyway. It is and always will be the apple of the scientists' eyes.

Whenever a person hears the tune, "Sweet Georgia Brown" there is only one thing in the entire world that a person can think of. You're absolutely right!!! The Harlem Globetrotters. 1986 marks their 60th anniversary of on the road travel. The Globetrotters have also taken on their first woman player, Lynette Woodard. Ms. Woodard was a graduate from the University of Kansas and she was the captain of the U.S. Olympic team in 1984.

History was in the process of being made when the Space Shuttle Challenger, not more than two minutes into its flight, turned into a massive ball of fire. The space shuttle had exploded. The explosion was equivalent to the power of a small nuclear bomb. The first teacher to go into space was aboard the craft. The teacher was Christa McAuliffe of Concord, New Hampshire. She was one of seven crew members. The cause of the tragedy was believed to be a tongue of flame emerging from the right solid fuel rocket booster and acting like a blow-torch. It penetrated through the large external fuel tank containing an enormous amount of hydrogen and oxygen and ignited it, causing the explosion. This is the second space-related tragedy that the United States has experienced.

What's Going on at Turner?

On October 12 and 13 of 1985 the first community event of its kind occurred in Turner. TURNER DAYS. The two fun-filled and exciting days consisted of a pancake breakfast, parade, the annual Homecoming football game, craft and food booths, an antique tractor pull, hourly entertainment, Sunday morning worship service, a hot air balloor and much much more.

To kick off the celebration, there was a banner raising ceremony on September 23, 1985. The ceremony was attended by approximately 800 people. Including Mayor Jack Reardon, who spoke on "It's a Great Place to Live;" Sixth District Councilman Ed Alvey; State Representative, Fred Roseneau; Dr. Bob J. Foutes, Superintendent of Schools; Janet Sharp, School Board Member; Bob Ferguson, Recreation Commission Chair Person — spoke on upcoming events; Joe Steineger, President of the School Board — spoke on what Turner meant to him; and Carlos Serra, Student Council President — who sparked the crowd with the theme of the celebration, "TURNER ON THE RISE."

On October 11, 1985, balloons were released simultaneously at each of the elementary schools. The event was coordinated by James Neihart, Principal of Morris Elementary School. Balloons were spotted as far away as northern Wisconsin.

After 13 years of service, Dr. Bob J. Foutes will be retiring in July of 1986. Some of his accomplishments are: improvement of student reading and math skills, the development of an alternative school to provide dropouts with secondary education, the expansion of elementary school service to include elementary counselors, and many, many more.

Nineteen Seniors were recognized as "Kansas Honor Scholars." To qualify, the students had to be in the top ten percent of their class. The scholars were: Rhonda Berry, Michael Clements, Gena Curry, Daniel Dexter, Kimberely Doyle, Deanna Dresel, Matt Gieck, Kim-

berly Holder, Elna Johnson, Chol Kim, Kathyrn Lawhorn, Valerie Lehnen, Tami Noon, Jeffrey Oswald, Karen Reid, Carlos Serra, James Shebel, Karen Stohlmann, and Debbie Thexton.

The Drama Classes put on two excellent plays: "Bye Bye Birdie" and "To Kill A Mockingbird."

The Psychology classes started the Osawatomie Christmas Fund after a visit to Osawatomie. The event was sponsored by Mr. William Moore. The classes collected everything from toothbrushes to paper and pencils. The event was recognized by the local media. "All in all, it was a tremendous success," said Mr. Moore. "I am extremely pleased."

November 17-23 was the American Education Week. On November 18, 1985 the National Honor Society hosted the raising of the Flag of Learning and Liberty. Several members read quotes from the members of the Board of Education and gave speeches concerning the flag. The flag incorporates the red, white, and blue of the Stars and Stripes. The Flag itself symbolizes the American's Historical beliefs in reliance upon education.

Candie Torrence, an Office Education Association member, was elected Vice President of Kansas OEA at a conference in Wichita, Kansas.

Julie James, a junior, was selected to sing in the Crown Center All-Metro Choir. The choir consists of 102 students from the Greater Kansas City Area. The choir performed at the official Mayor's Christmas Tree lighting ceremony at 6:00 p.m., November 29, 1985. The ceremony took place at Crown Center.

February third through February the seventh was scheduled to be a week of fun and spirit. February fourth turned the week into a week of infamy when Mr. Fuller announced over the intercom that Mr. Bill Stratton had been fatally injured in an automobile accident.

Mr. Stratton was the department chairman of the Social Science Department. He had taught at Turner for sixteen years. Funeral services were held at Sacred Heart Catholic Church, Tonganoxie, Kansas on February 7. No classes were held at the high school in honor of Mr. Stratton.

What do the Plaza, Mustangs and Coke Have in Commo

The *Turnerite* Staff distributed a survey to the entire student body, asking their "favorites" in various categories. These two pages list the top three in each topic:

Bye Bye Birdie — Hit of the Season

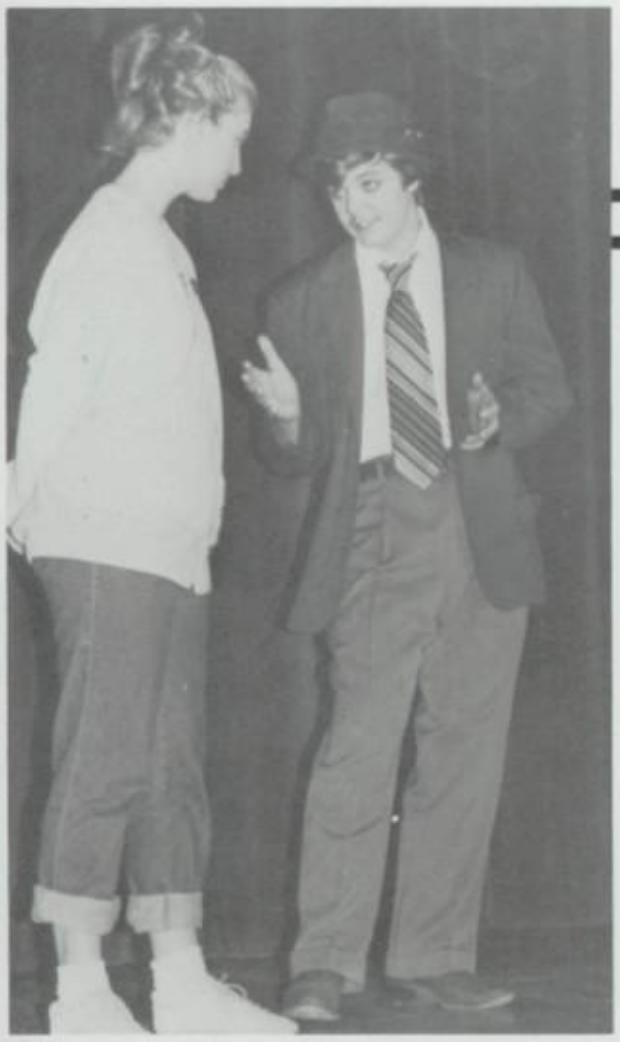
It's 1958. The world is rockin' and rollin' to awesome rock stars and even more awesome songs and styles. Albert Peterson and Rose Alverez, a song writer and his secretary, have a rock star on their hands. He has just been drafted into the Army and the whole teen population is in shock.

Rose wants to quit her job. Albert is out of business and needs Rose very much. So Rose comes up with a plan. Kim MacAfee is that plan. the plan is: Before Conrad Birdie leaves for the Army, he is to kiss one last girl, Kim, and she will represent all of the girls of America, his adoring fans.

Rose tries to call Kim's hoemtown of Sweet Apple, Ohio, but all the phones are busy. Kim has just been pinned to Hugo Peabody. When Kim finds out that she will be kissed by Conrad Birdie, she is entranced and her new boyfriend is enraged. Her parents become very upset, her friends turn against her, and she might totally lose her new boyfriend.

Kim soon learns all about the real world and growing up, and as for the kiss, well . . .!!!

Top: Joe Crowley, Mark Churchill and Bill Ferguson working on the set.
Lower Left: Katrina Huyett and Kim Patterson rehearsing a scene from the play.
Lower Right: Holly Holland, Charlie Pruitt, being briefed by Mrs. Jones on their duties for technical crews.



The theater department put on the musical *Bye Bye Birdie* on Nov. 20th, 21st, and 22nd. It was directed by Mrs. Judi Jones, and Mr. Kevin Vickery. The music was coordinated by Mr. Jerry Cundiff, and Ms. Shelia Moore was the pianist.

The cast began rehearsing at the beginning of September. The cast and crew sacrificed their time, both after school and on Saturdays, missing dinner, work, and leisure time to provide the school and community with a good show the theater department could be proud of. AND THAT THEY DID!!!

P.T.S.A. Talent Show

The 1986 P.T.S.A. Talent Show was another tremendous success. Various students participated in solos, vocal duets, dance routines, skits, and finally group singing. The show also consisted of serenades. The 1985-86 Dance Class performed to "New Attitude." The four-to-eight-year-old Goldenettes performed to "I've got my Walkman On." The nine to twelve year old Goldenettes performed to "Barbara Ann." Finally, Turner's own, The Goldenettes performed to "The Bird."

Little does the student body realize exactly how much work goes into the Talent Show. The individual practice by the Drill Team and other individuals is amazing. A talent show can't be put together overnight. It takes just what the people of this community have. The people have the ability to work together as a team. Team work is the answer to everything!!!

Some people that were not probably seen were the people of the Parent Teacher Student Association. They put the entire Talent Show together and they made the pieces fit together and produced the best evening of entertainment that the Turner School District had ever seen. Although the P.T.S.A. couldn't put the show together by themselves, they needed help from the faculty. Mr. Jerry Cundiff was the Faculty sponsor. He helped coordinate the entire show; and he helped with the auditions.

Out of the sixteen outstanding acts Audra Durham, Linda Amayo, and Yong-Mee Park excelled. Audra Durham performed in a four-part serenade called "Saving All My Love," and received first place. Second place went to Belma Gomez, Belinda Cornwell, Dawn Markley, Rhonda Howe, Rhonda Berry, Julie Gerber, Beth Briggs, and Yong-Mee Park. They danced to 'A to Z'. Third place was a tie between Linda Amayo and Yong-Mee Park.

Behind the curtain and in the balcony are the people who made the Talent Show possible. In the balcony were Brian Trager and Kim Patterson working the spotlights. Behind the curtain were Dan Johnson, Daniel Hague, Marvin Bingham, and Johnny McCombs. Danny Johnson controlled the house lighting (lights in the lobby and in the auditorium); Daniel Hague made sure the curtains were open and closed at the right times; and finally Marvin Bingham and Johnny McCombs controlled the stage crew. The Talent Show Masters of Ceremonies were James Tubbs, Lewis Edler, Marie Curry, Gena Parks, and Tammy Arnold. These people not only announced the performances and who was performing, but they also performed skits to keep the audience occupied between the performances. These people listed above made the Talent Show all worthwhile. They made the pieces fit and they made others realize that Turner is indeed on the rise.

Upper Left: Audra Durham plays the piano while Lewis Edler sings "Tonight."
Upper Right: Marie Curry and Tammy Arnold, acting as masters of ceremonies, do a skit to keep the audience entertained while the next performance is getting ready to start.
Middle Left: Master of ceremonies, Marie Curry, walks out to introduce the performers of the next performance.
Middle Right: The four to eight year old Goldenettes practice for their big night.
Lower Left: Turner's own Goldenettes show another outstanding performance.

The Men and Women Behind

Custodians

Turner has undergone many changes this year. From the fixing of pencil sharpeners to the hanging of the new curtains in the auditorium. Who is responsible for this? Our custodians; Lee Brooks, William Huggins, John Randles, Connie Riddle, John Timms, and Richard Werren.

Jim Kooken, 26, assumed the job as head custodian this year. He was the head custodian at Junction for 3 years and has worked as custodian in the district 3 years before that. He has a lot of improvement plans for Turner.

Lee Brooks, 40, was new to Turner this year also. He is from Arkansas.

William Huggins has worked here at Turner for 16 years. He likes janitorial work because it is steady and dependable.

John Randles has worked at Turner for 4 years. He also graduated from Turner.

Connie Riddle has worked here for 8 years. She is from Branson, Missouri. She really enjoys working here.

John Timm has worked here 9 and a half years and at Pierson for 2 and a half. He works mainly on the top floor. He really likes the teachers he works with.

Richard Werren is new to Turner. He has lived in Kansas City all his life.

Upper Right: Connie Riddle, Richard Werren and John Randles.
Upper Left: Jim Kooken.
Across from Left to Right: John Timm, William Huggins, and Lee Brooks.

Security

The Security Personnel are: Mrs. Carter, Jewel Craig, Joel Hibler, and Jim Taylor.

Mrs. Carter and Mr. Craig are in charge of the inside of the building. They check for hall passes and just generally try to keep things in order.

Mr. Hibler and Mr. Taylor supervise the parking lot and school grounds. They periodically drive through the parking lot to make sure no cars are tampered with.

Across: Jim Taylor, Joel Hibler, Mrs. Carter, and Jewel Craig.

The Scenes at Turner

Cafeteria Workers

The work of the cafeteria workers often went unnoticed. Some of the cafeteria personnel came in as early as 6:30 a.m.

During the summer, Ruby Schneider, district manager, plans the menu for the next school year. She plans each day's menu with an item from each of the five food groups. The school board must then approve the menu.

The cafeteria workers are Mary Hansen, manager, Peggy Harris, assistant manager, Judy Brunk, Earlene Harmon, George Lohrey, Shirley Monney, Karen Oyer, Eva Rupard and Bessie Sutton. Each of the workers is required to have a Food Handlers Permit, a health examination and pass a certification program.

Across, Left to Right: Betsy Sutton, Eva Ruppard, and Karen Oyer.
Below: Back Row: Karen Oyer, Peggy Harris, George Lohrey, Betsy Sutton. Front Row: Earlene Harmon, Shirley Nooney, Mary Hansen, Judy Brunk, and Eva Ruppard.

Yuletide Festival Rings in

The Christmas season began for many students and their families on December 8 with the Yuletide Festival. The district festival under the direction of Mr. Jerry Cundiff, has been an annual event since 1979 and involved choirs from the elementary schools, the junior high schools and the high school.

The program began with the combined voices of the elementary choirs. For one song they were accompanied by an elementary bell choir. Three numbers by the Turners Women's Choirs followed then the junior high chorus. The Turner Chorale performed followed by two numbers by the Turner High School combined chorus.

The finale of the afternoon was "Boy Child of Mary" and "Let Our Gladness Know No End" sung by the mass chorus. The audience and mass chorus combined to sing "Silent Night." There was a hushed moment at the end of the program.

The combined choirs numbering almost 300 met twice for rehearsals after mastering the numbers in their own choral classes. "I think it is perhaps the most well-attended district program. Most families look forward to this program to kick off their Christmas activities," said Mr. Cundiff.

Royal Mania . . .

1985 is the year Kansas City turned blue — Royal Blue.

While people across the nation were watching "Baseball Fever . . . Catch It" flash across their TV screens, Kansas Citians were catching their own particular strain of baseball fever — Royal Mania. Fans agonized as the Royals played their way toward the play-offs.

For the first time there were seven play-off games and Royals fans were gripped with fear when at the end of four games the Toronto Blue Jays were ahead 3-1.

An I-70 World Series had been mentioned throughout the play-offs. Fans on the east and west coasts were not enthusiastic, but fans through the midwest were ecstatic to have the Kansas City Royals and the St. Louis Cardinals both in a World Series.

The fever mounted as the series began in Kansas City with a 2 game split. Moving to St. Louis Royal fans were disappointed when the Cardinals won the first two games giving them a 3-1 lead. Returning to Kansas City a Royal victory fanned a spark of hope, but many felt the Royal fever was terminal and only had to be played out to the end.

Fans holding tickets for the seventh game of the series feared they would never get to use them.

In the sixth game of the series in the nighth inning of the somewhat boring game the Royals managed to get base runners and win the game.

Royal Mania rose to a fever pitch, which lasted for days. Fans at the ball park simply stood and yelled and hugged strangers, celebrating the win. The parking lot remained congested for two hours as fans sat on their cars savoring the moment.

The final game was a Royal runaway and Kansas City went wild. Many fans drove up and down streets honking horns, some simply sat in their cars honking, many headed for Westport.

Monday morning the raging fever kept people of all ages home from school and jobs. Some 3,000,000 Kansas Citians turned out for a Victory parade through downtown to the Liberty Memorial.

The Turner High School marching band participated in the parade of confetti, classic cars, confetti, bands and confetti. The overwhelming amount of paper streamers and confetti caused a number of cars to catch fire.

Twenty-one year old Bret Saberhagen, Royal pitcher who pitched the final game of the series received the Cy Young award.

George Brett, Royal third baseman received the Golden Glove Award.

The fever subsided, Kansas City recovered, but the side effects remained.

N.H.S. Raises the Flag of Learning and Liberty

November 19, 1985 National Honor Society members took part in the flag of learning and liberty ceremony.

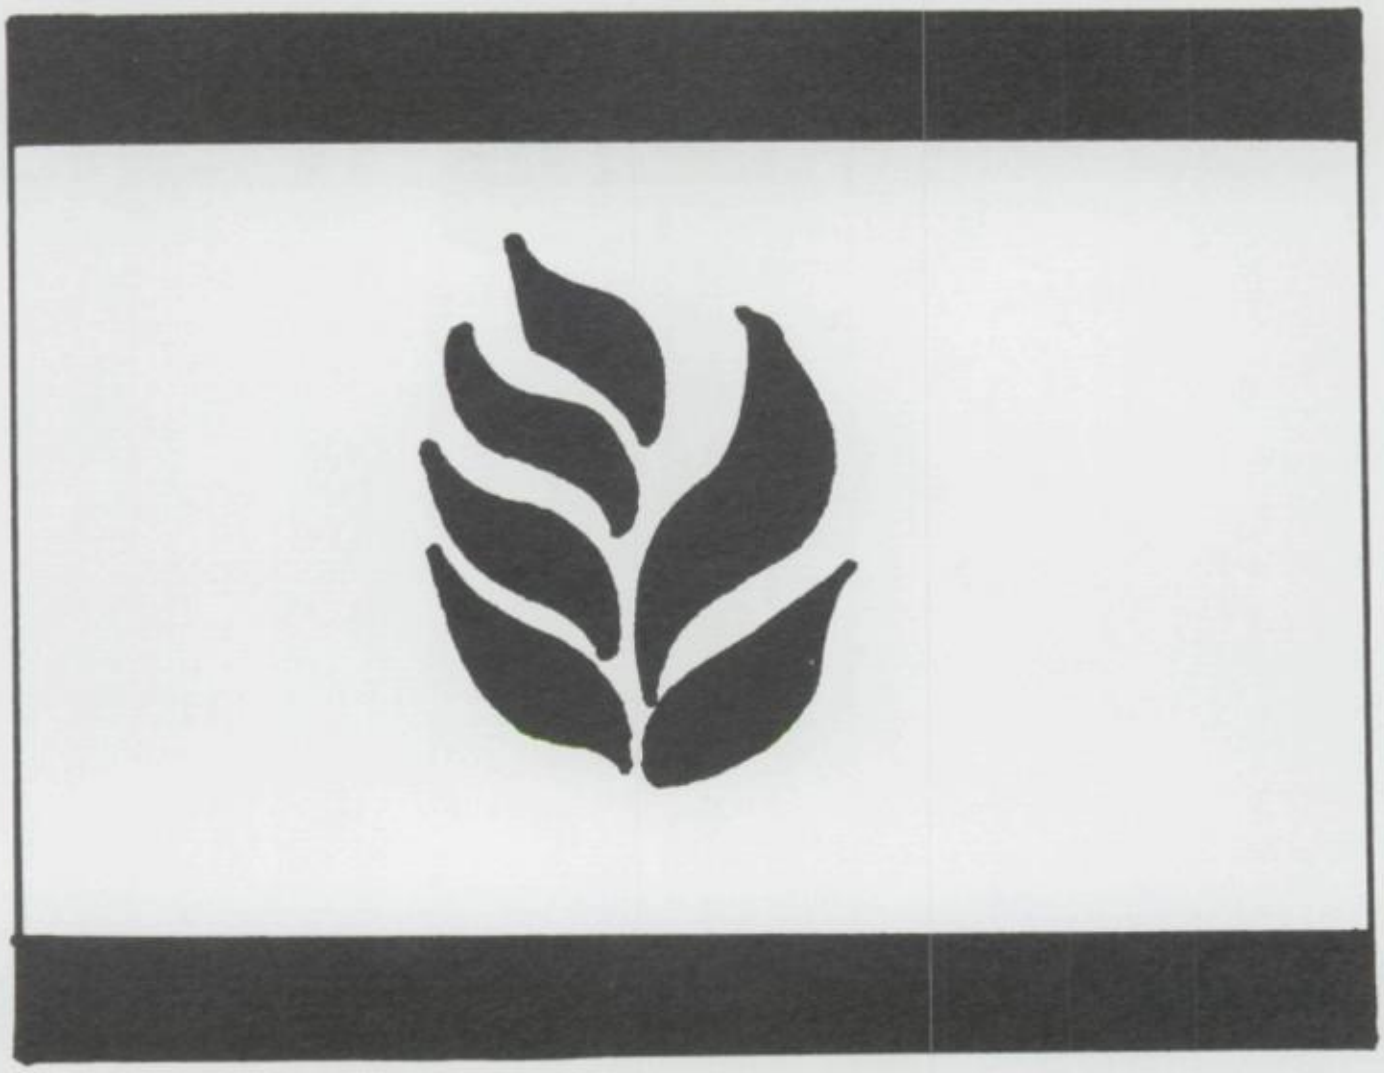
The Flag of Learning and Liberty was inspired by recent national attention on the importance of education and significant reform movements undertaken by many states.

American education learning and liberty has its roots in the founding of the American leaders. The leaders of the American Revolution saw education as a means of preserving liberty, securing unity, promoting good citizenship and developing resources of the land and people. They believed education would help maintain the union of states, a united people and a democratic form of government.

Thomas Jefferson held that education was "essentially necessary" in a republic. Education was a must, he saw, for increasing production, saving labor, preserving health and improving agriculture.

On the occasion of the 50th anniversary of the National School Public Relations Association in 1985 several thousand prominent citizens were asked to contribute their ideas about education and how it might be improved. Their statements, reflecting the same deep commitment to education found in the words of our forefathers, were used as the basis for the flag's design.

Upper Picture: Rhonda Howe starting out the ceremony with the opening speech.
Middle Picture: The flag of learning and liberty being raised.
NHS students listening to Sherri Dickerson's part in the ceremony.



The Flag of Learning and Liberty incorporates the red, white and blue of the "Stars and Stripes," and symbolizes America's historical belief in and reliance upon education.

The Nation's education flag features:

A horizontal red stripe across its top depicting the strength and vitality of a democratic way of life.

A blue stripe running horizontally along the bottom which represents the stability and opportunity made possible by a strong system of education.

A center field of white which conveys the virtue and aspiration of a nation of free people. The central focus of the flag is the emblem in the middle of the field. The design features:

Two gold flames at the top — one for learning and one for liberty. These flames are supported by a base of four elements, arranged in alternating blue and red pairs.

The blue elements represent the two key foundations of strong education — high expectations and effective teaching.

The red elements symbolize the cornerstone institution of a democratic society responsible families and involved communities.

Educators must continue their efforts to help the public understand the importance of education in our democratic society.

CLUBS & ORGANIZATIONS

Students Fit Together in Student Council

To summarize Student Council this year as just another year would be like the Royals saying 1985 was just another season.

For many Student Council members the year began in June with the executive council meetings throughout the summer.

Also there was a group of members that worked at Worlds of Fun as a Fund Raising project for a day.

The dedication of the members carried into the school year with Stu-Co participating in the first annual Turner Days Celebration. Stu-Co sold the official Turner Days T-Shirts, coordinated the half time activities at the Homecoming game, and the Homecoming Dance. Stu-Co also successfully operated a Kiddie Carnival throughout the weekend. Stu-Co activities did not stop here. In October Stu-Co delivered Spook-o-Grams and sponsored the Halloween Dress-up contest. December saw the Council co-sponsoring the second annual Holiday Hop with Kays and providing opportunities for the members to interact with other schools through the Metro Leadership Day and student exchange with Bonner.

As school resumed for the second semester, Stuco quickly got involved in hosting Spirit Week and the Winter Activities Dance. Adding to these special activities Stuco was in charge of this year were the ordinary duties such as running the school bookstore and the concession stand during the sport activities.

"Our student council works extremely hard to provide opportunities for total student involvement in school," said Ms. Alcorn.

TAOTA

There are no Small parts only small actors . . .
Stanislavski

Turner Association Of Theatre Art plays a major role in the presentation of all Turner plays and musicals. Taota members do not always perform on stage but help out off the set.

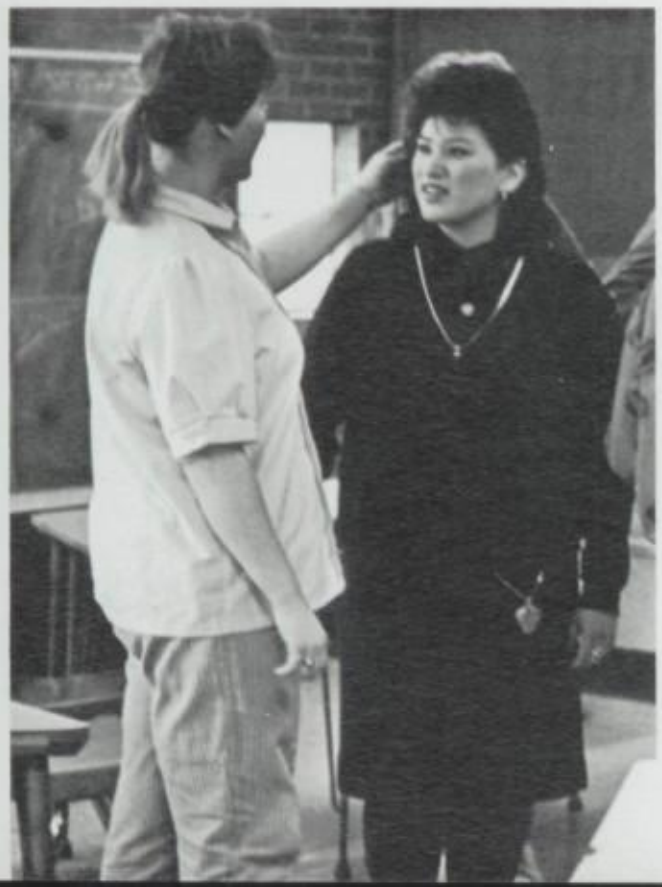
Taota members attend several college productions to observe the Theatre Art. Mrs. Judi Jones says "drama is more a *team sport* than an *individual sport* it takes a lot of people to make things fall into place on the stage and off the stage."

Taota Group: Mrs. Judi Jones, sponsor; Marie Curry, Tammy Arnold, Gina Parks, Cassie Simmons, Debbie Thexton, Audra Durham, Kim LaFon, Lewis Edler, Karen Zielsdorf, Kim Groves, Adreinne Dailey, Kim Paterson, Matt Gieck, Kathryn Lawhorn, Micky Kilburn, Jennifer French, David Blanchard, Tonya Sims, Chris White, Ken Stober, Adam Hadley, Brian Trager.
*Center: Connie Jackman and Kim Lafon getting posters ready for the musical*Bye-Bye Birdie.
Center: Belma Bomez, Ken Doss, and John Herron making plans for the musical.
Taota Officers: Mrs. Judi Jones, Linda Amayo Treasurer, Gina Parks Secretary, Cassie Simmons Vice-President, Tricia Leihy President.

The Thespian Society has thirteen lifetime members of the International Thespian Society. We are proud that students are willing to invest both time and money to achieve excellence in the theatrical arts both on and off stage. The International Thespian Society is the only organization to honor secondary school students for outstanding work in the theatre. The resolution with which the society tackles this role is evident in its focus on the students; their achievement, involvement and access to quality theatre arts instruction are basic concerns.

Membership gives students incentives to participate in theatre activities and can be an important factor in gaining admission to a quality drama program at the university level. For those who plan a career in theatre, the Society's offering can increase enjoyment of the art now and later, when the students become the adult theatre audience. Thespian membership is granted for the performance of meritorious work in theatre art which meets the society's general guidelines. Specifically, students become members by earning points for their work.

Mrs. Judi Jones
Drama Instructor



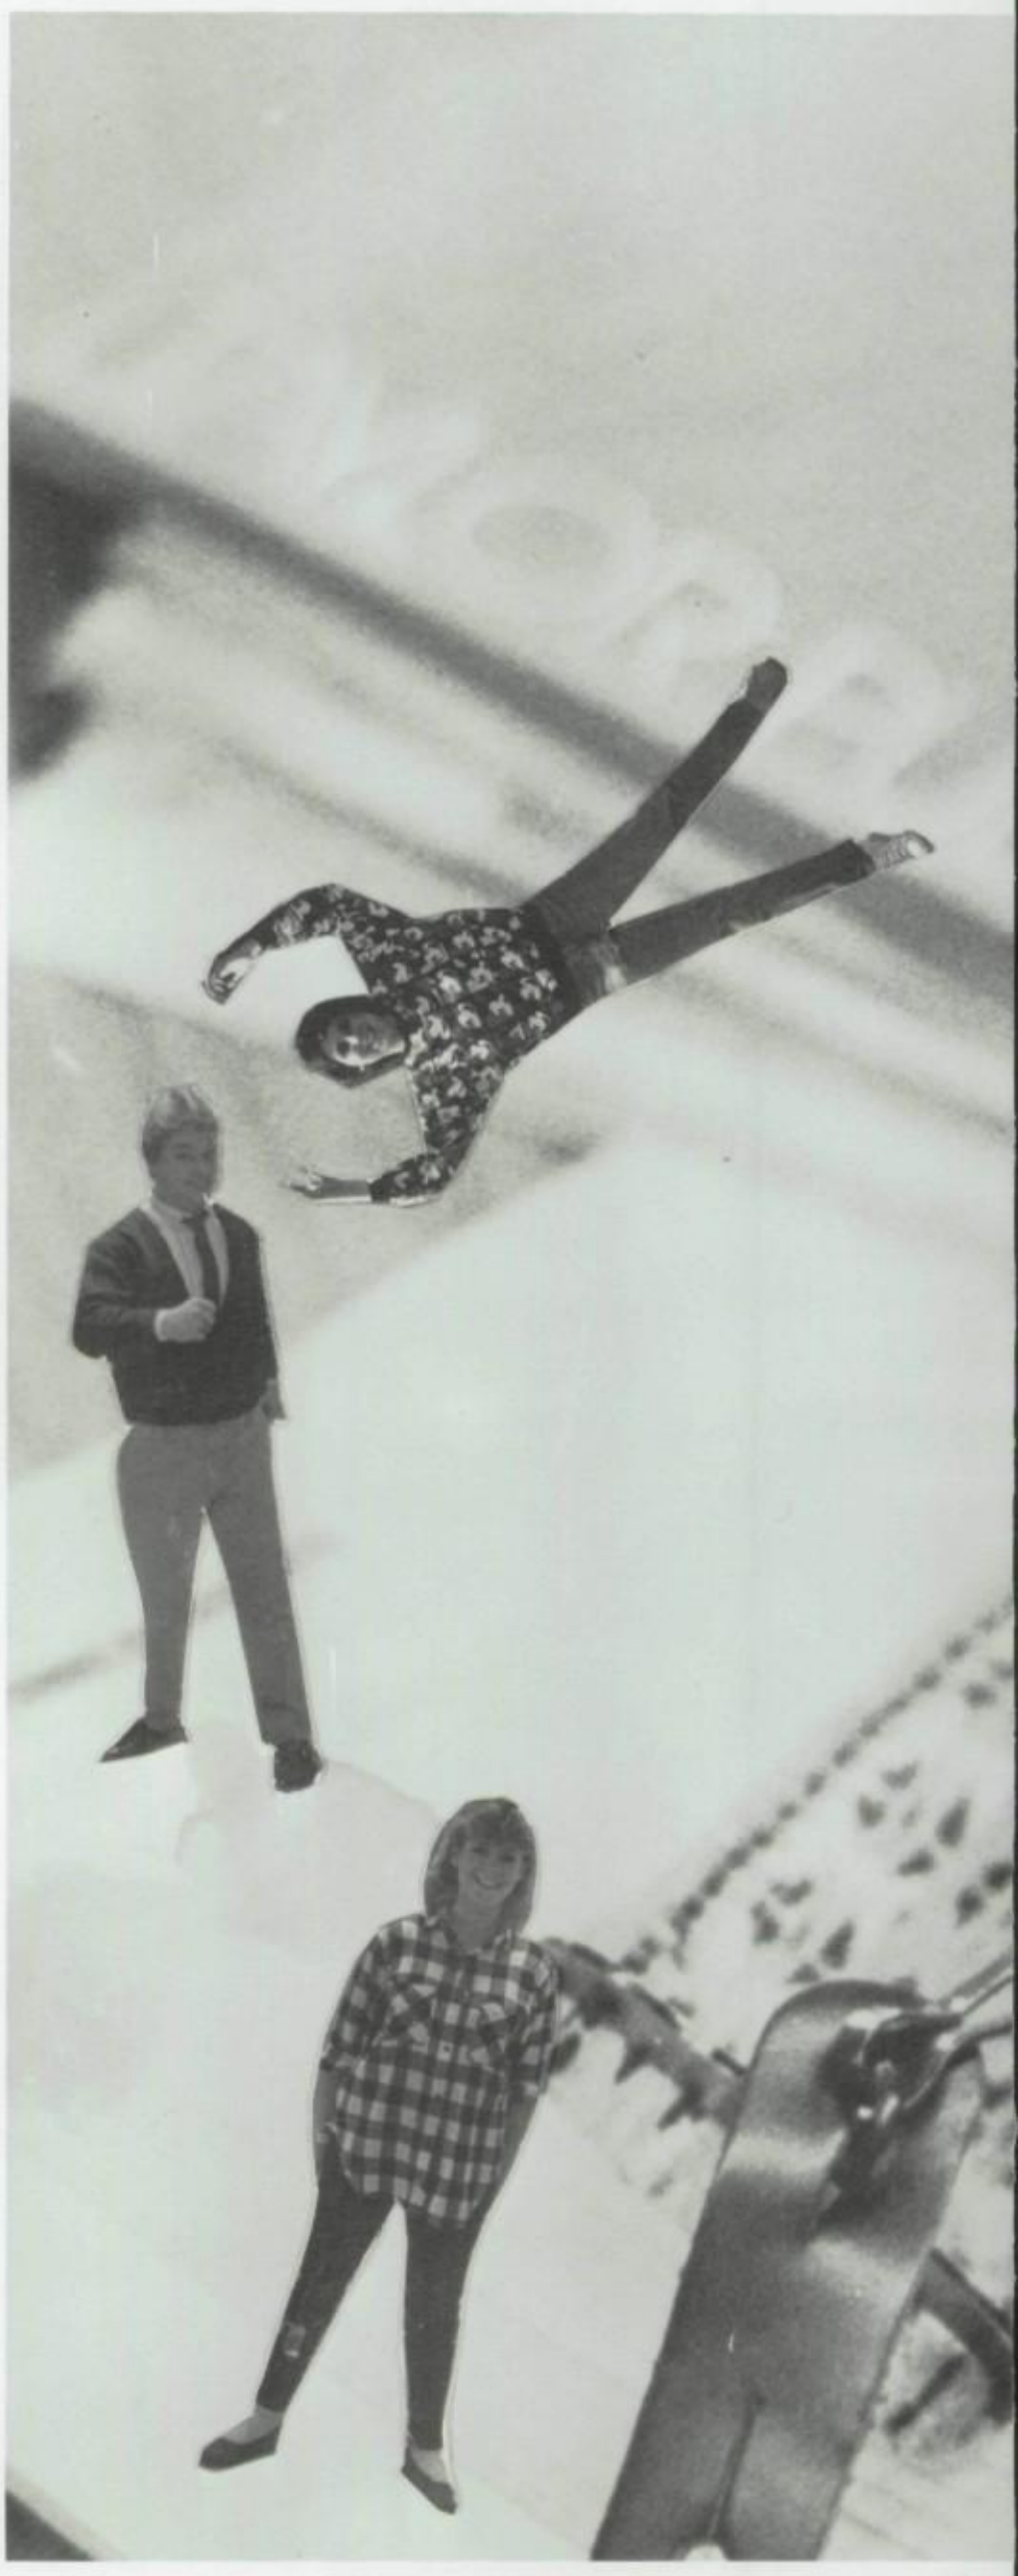
ARE WE HAVING FUN YET???

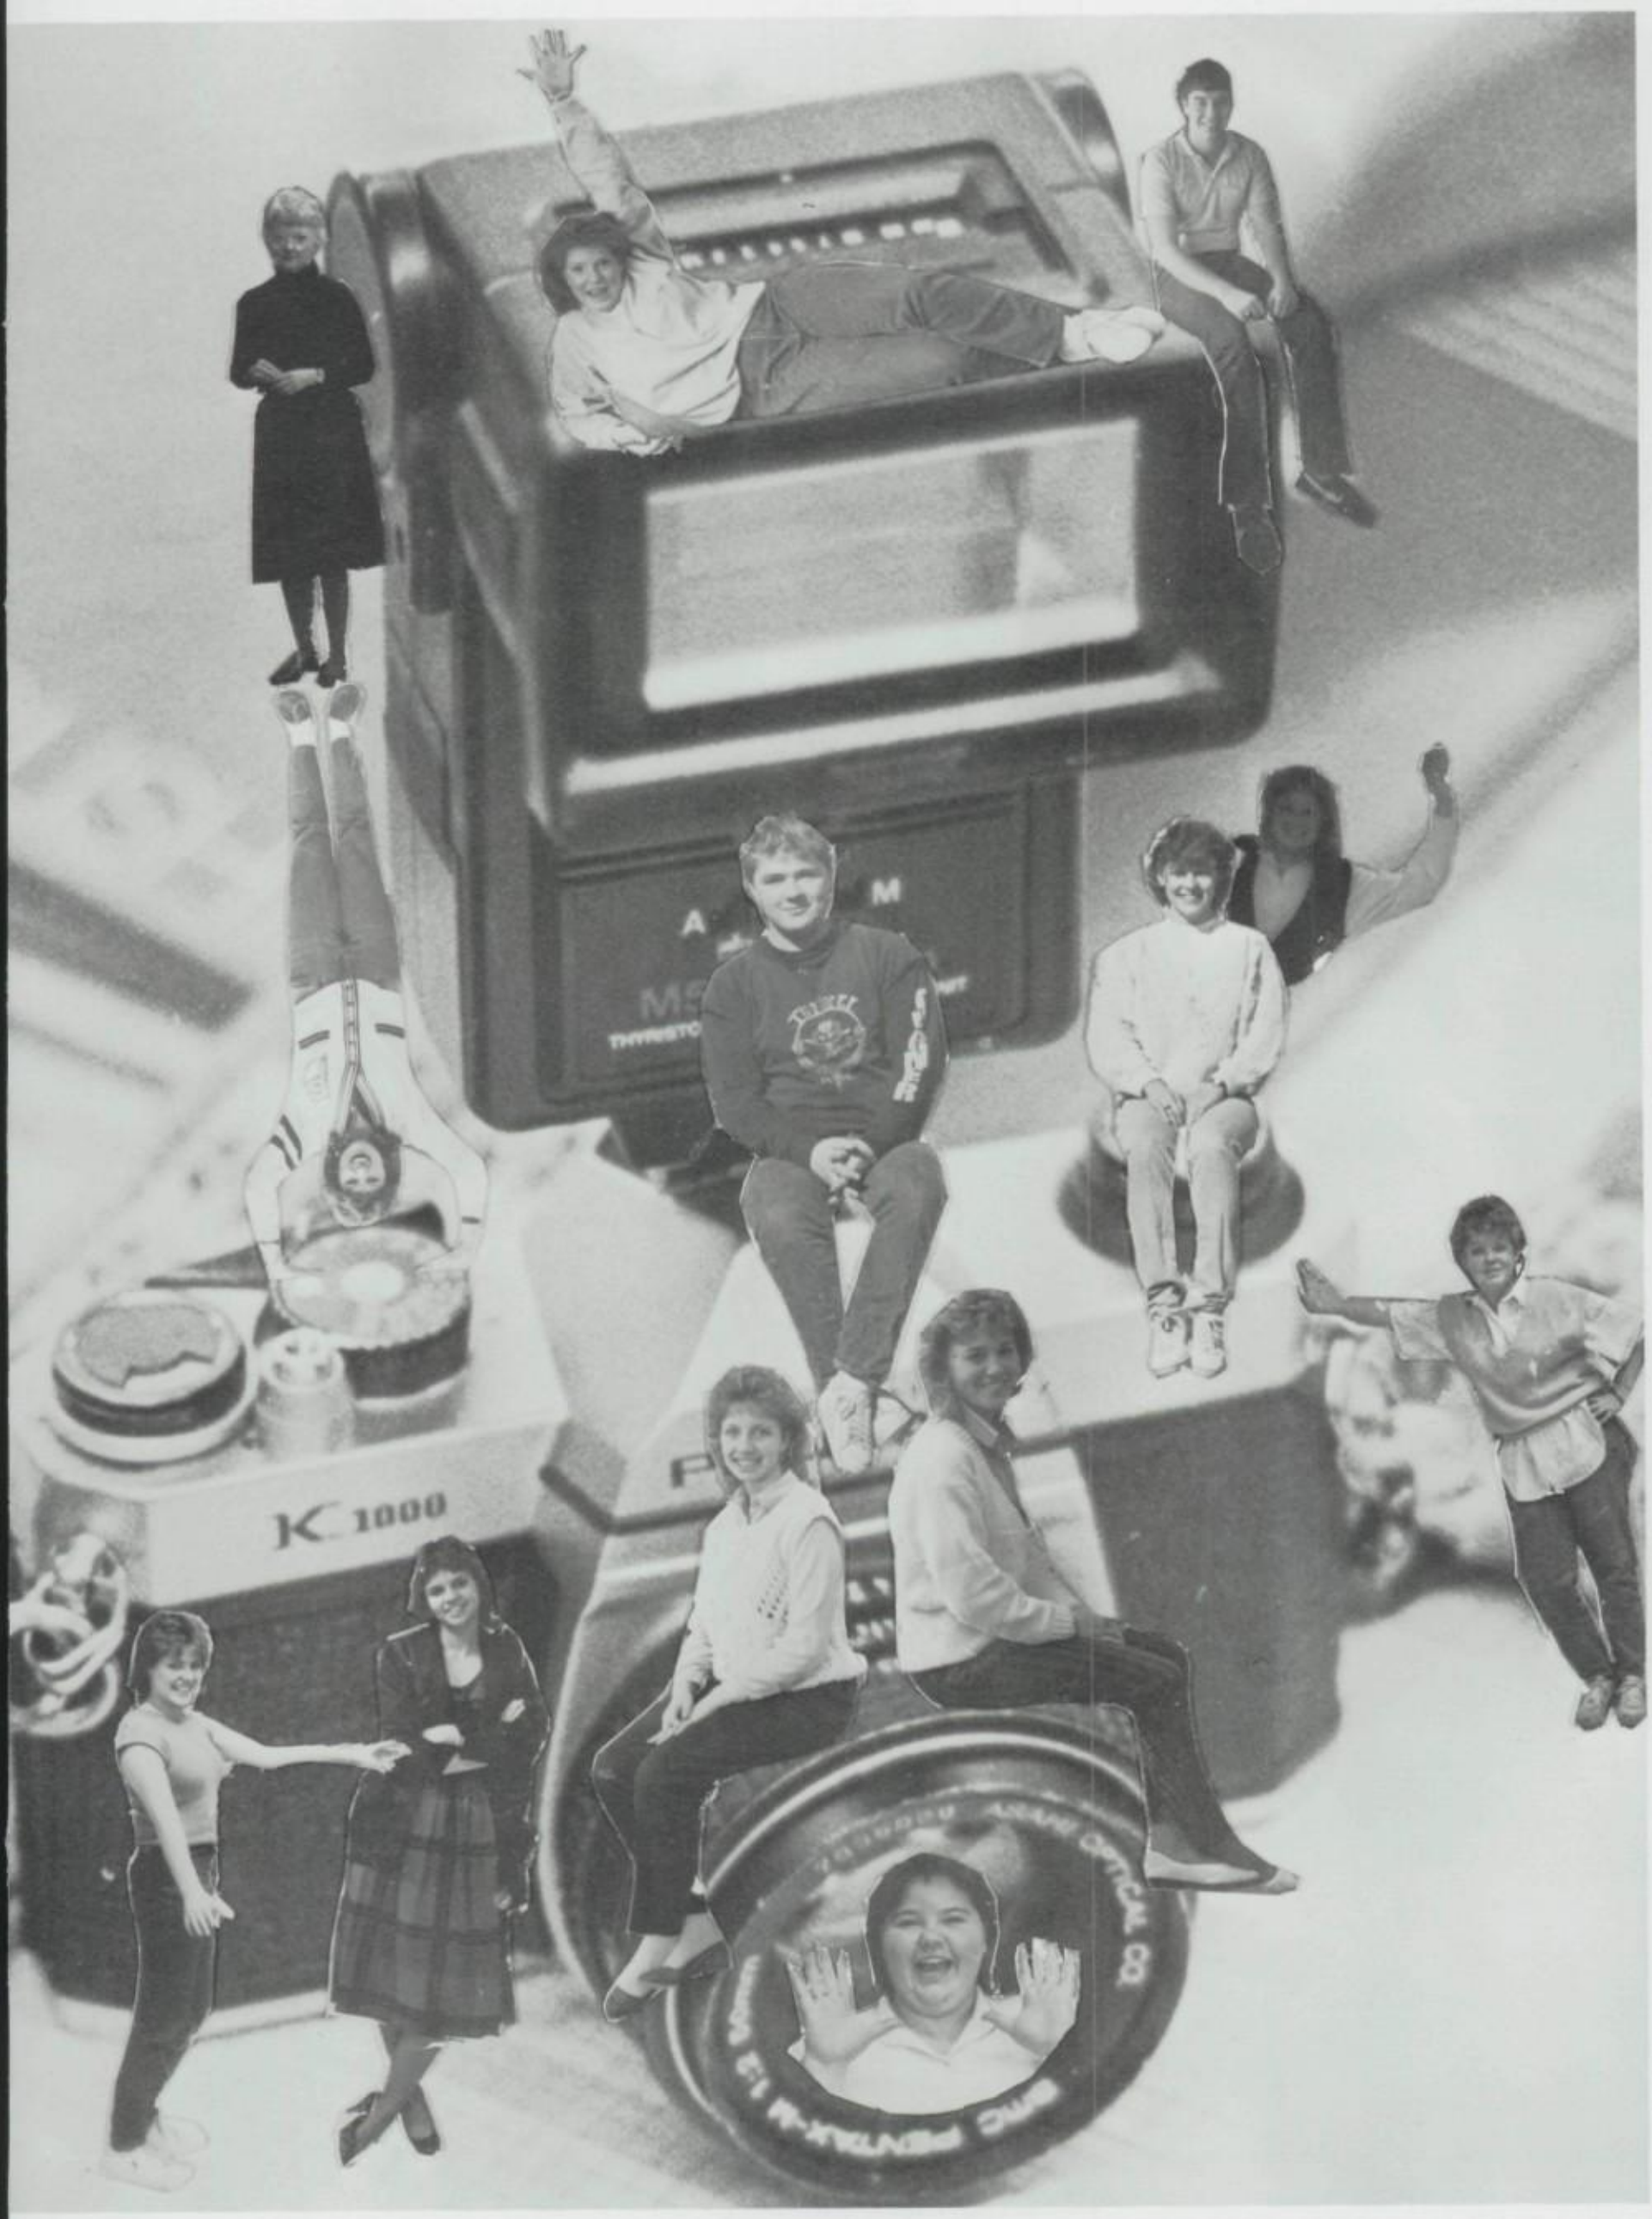
The yearbook staff was made up of 9 seniors and 5 juniors. Mrs. Pauline Smith was the advisor. The staff was responsible for covering the years events in a journalistic manner. The work with the pressures of deadlines to produce a book of memories that will last. The staff starts with a blank page and an assignment and ends up with a creative page that covers the emotion and impact of the event. The in-between includes taking, and printing pictures, learning how to work with new tools, being creative, having a lot of responsibility with maximum pressure, and a whole lot more.

To qualify for the staff, the student must have a "B" average in English, a cooperative and dedicated attitude, and the must submit an application.

Being on the yearbook staff is fun, exciting, and a learning experience.

The following people represented Turner at the Kansas Scholastic Press Association Contest regionals: Matt Gieck, Julie Gerber, Valerie Lehnen, Mike Hallisey, and Chris Baker. G Chris Baker won first place in layout and double-page spread. Laying on the flash, Pansy Simmons, Sitting on flash, Joe Rahija; Standing on hands, Missy O'Brien; Standing on Missy, Mrs. Smith; Sitting on camera, Matt Gieck and Julie Gerber; Behind Julie is Lisa Coyazo; Sitting on Lens, Valerie Lehnen and Tami Noon; Leaning on camera, Chris Baker, Dawn Markley and Kelly Orrick; In lens, Cassie Simmons; Falling, Shelly Ray; Standing, Mike Hallisey and Sonya Stroble.





K 1000

DECA Members Prepare for Careers in Marketing

DECA is a co-curricular club related to the Marketing Education Program at Turner High School, sponsored by Mr. Jeff Schettino. Membership is open to those students enrolled in the Marketing Program. The eight dollar dues that the students pay are those charged by the state affiliates. There are 49 dues paying members in 3 individual chapters. These chapters select their own officers and set up agendas for their own meetings.

The students had an officer and member induction ceremony. During the year the students are allowed to participate in the following state and national activities: Fall Regional Conference — held in Emporia, Kansas; State Contests and State Officer Elections — held in Wichita, Kansas (March for 3 days); National Contests if they are first or second at state contests — held in Atlanta, Georgia this year and New Orleans next year (5 days).

Math Club Plans to Compete in Contests

Math Club, sponsored by Mrs. Bernita Burgess, is the newest club. There were no dues this first year because money was not needed. The club plans to participate in several math contests. The club is also in the process of establishing a math contest for the grade schools of the district.

Club members are: Back Row: Gena Curry, Karen Reid, Joe Rahija, Kathryn Lawhorn, Mike Hallisey, Karen Stohlmann, Roxanne Hancock, Chol Kim, Hye Won Han, Mrs. Burgess, Damon Holmes, Carlos Serra, and Matt Gieck.

Club officers are: Jim Shebel, president; Jay Brownawell, vice-president; Kathryn Lawhorn, secretary; and Chol Kim, treasurer.

Honor Society

Sponsored by Mr. Kevin Vickery, the Honor Society consisted of thirty members. These members were selected because they showed outstanding qualities of Leadership, Scholarship, Character, Citizenship and Service.

The Honor Society was very active this year. Some of their activities included: raising the flag of learning and liberty, providing ushers for the fall and spring plays, answering phones for a telethon, giving two scholarships, and working with blind children at the Kansas school for the handicapped.

Quiz Bowl

Turner High School has had an Academic Quiz Bowl Team for three years. They have participated in tournaments in Topeka, Hiawatha, Aquinas, and De Soto. A Quiz Bowl Team is usually made up of four team members and one alternate. The most common format of a quiz bowl is to have a round of twelve to fourteen questions dealing in the areas of Math, Science, English, Foreign Language, Social Sciences, and Art.

The best preparation for a team is having a well rounded background in the areas of competition. This is best achieved by working hard in the classroom. The purpose of the Quiz Bowl is to provide the opportunity for academic knowledge in a non-traditional manner.

Pictured Left: Quiz Bowl Team: Gina Curry, Karen Stolhmann, Deanna Dresel, Jeff Oswald.

PTSA Members Work Together

The PTSA, Parent Teacher Student Association, serves the community, students, and staff at Turner High School.

They provided many services. Their largest fund raiser was the Talent Show. PTSA sponsored a dinner for teachers at the beginning of the year. They look after welfare needs of students, such as providing clothes, lunches, and financial aid. They were very active in the Turner Days celebration.

The officers of PTSA are the following: President, Aimee Sterling; First Vice-President, Sandy Anderson; Second Vice-President, Richard Fuller; Secretary, Chris Tomlinson; and Treasurer, Ruth Reid.

Parents Get Involved in Booster Club

The Booster Club's main objective is to get more parents and students involved in all interscholastic activities in the Turner Schools.

We want to provide help to the athletic department whenever possible. We try to promote interest, enthusiasm, and loyalty towards the activities program. We get area merchants involved in the school through the raffles at athletic events.

Booster Club has had many money making projects to generate money to be spent on activities, facilities, or equipment.

The Booster Club welcomes all interested parents to join our winning team.

OEA? What does it mean? A Lot!

Office Education Association is a combined class and on-the-job program for juniors and seniors, sponsored by Mrs. Jackie Smith. OEA has been with Turner for some fourteen years. OEA has grown with good students and instructors. OEA members not only do work inside the classroom, they also do it outside the school. Members work on the Torch Award Program for pins and certificates.

This year members entered a float in the Homecoming parade, baked and delivered cookies to two day-care centers, attended a Kansas City, Kansas, Council meeting so that Mayor John Reardon could sign a proclamation for OEA Week, and they also took part in Special Olympics.

OEA takes several trips each year — two of which were to Wichita this past year. In the Fall, OEA of Kansas elected State Officers. Candie Torrence, THS senior, was elected State Vice President.

In March, OEA had state Competitive Events involving clerical and non-clerical contests for awards. People who place in the top three places have a chance to go to Nationals!

The final trip was to Columbus, Ohio for Nationals, where national officers were elected.

With OEA, people strive to be the best. Remember "Success only comes before work in the dictionary!" said Candie Torrence. "People in OEA work for the best in success!"

T-Club

T-Club is a club that is different from all other clubs in the school. It has one requirement which for some may be difficult and others a breeze. You ask what is the requirement? Is that you must have earned a varsity letter. The letter may be in Football, Volleyball, Cross Country, Basketball, Wrestling, Golf, Softball, Baseball, Track, Cheerleading, or Drill Team. The club gets together and decides what can be improved in sports. However the main goal is to give recognition to varsity lettermen.

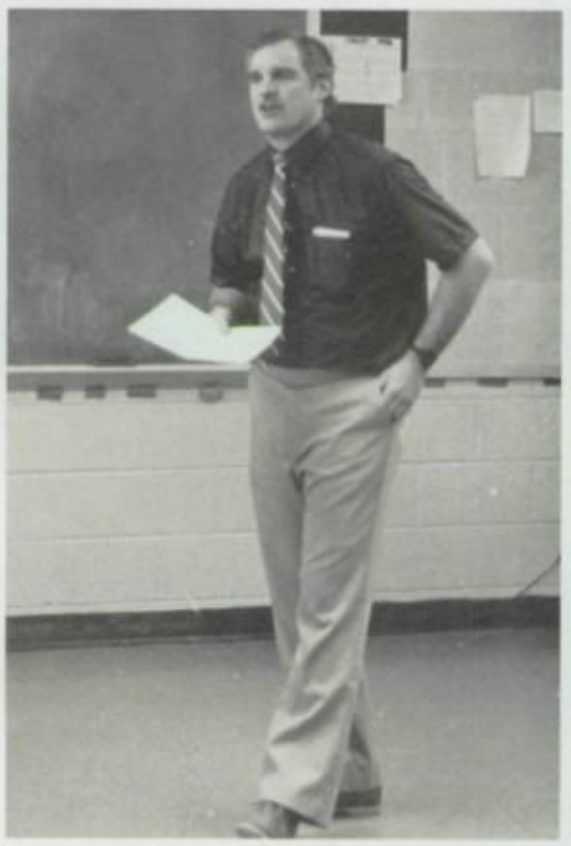
Spanish Club Has Busy Year

Spanish Club is sponsored by the veteran-Spanish teacher, James Heath. The forty-five members paid three dollars each to be in the club. Spanish Club managed to help a needy family at Christmas, Christmas carol in Spanish, and have a few fiestas.

Members are: First Row: Angie Fisher. Second Row: Karen Zeilsdorf, Richard Ridout, Gary Reading, Adam Hadeley, Cynda Vankeirsblick, Lisa Gray, Kerry Burke, Denise Lechner, Kim Fullerton, Anita Ramirez, Karen Chambers, Belinda Cornwell. Third Row: Troy Bandy, Bryan Fishbaugh, Pat Neuenfelt, Eric Holsti, Shelly Dressler, Jennifer Carmody, Marcia Byun, Lora DeFries, Pam Gearhart, Jo Ann Shebel, Tami Noon. Fourth Row: David Lynne, Mike O'Brien, Jim Copeland, Debbie Stubler, Heather Tate, Jonnette Hopkins, Michelle Wilson, Barbara Pipkin, Mary Bremenkamp, Julie Woods, Matt Gieck. Fifth Row: Chris Ellis, Joe Rahija, Jane Allen, Jim Shebel, Jeremy Gage, Terry Montoya, David Heath, Robert Madrigal, Richard Heath, Kathryn Lawhorn. Not Pictured: Chris Baker, Peter Cattaneo, Michele Denning, David Ford, Sheila Green, Becky Hague, Deborah Irish, Julie James, Kerri McGinnis, Carmen Routh, JoAnn Shebel.



Spanish Club Officers are: Jim Shebel, president; Tami Noon, vice president; Richard Heath, secretary; David Heath, treasurer; Heather Tate, Spanish III Representative; Chris Ellis, Spanish II Representative, Belinda Cornwell, Spanish I Representative.
Middle Right: Sr. Heath leading the club in singing Christmas carols.
Middle Left: Michelle Wilson, Barbara Pipkin, Amber Anderson, Richard Heath, Robert Madrigal, and Mike OBrien carefully watch Sr. Heath lead the caroling.
Upper-Middle Center: Matt Gieck, Jim Shebel, Mike OBrien, Richard Ridout memorize Spanish Christmas carols.
Lower-Middle Center: Chris Ellis, Pat Neuenfeldt, Charllotte Barth, David Heath, Jeremy Gage, Richard Heath, Robert Madrigal, and Terri Montoya are singing carols while Michelle Wilson whispers something to Barbara Pipkin.
Middle Left: Barbara Pipkin, Amber Anderson, Richard Heath, Robert Madrigal, are watching Sr. Heath lead the caroling, while Michelle Wilson watches the camera.

Health Careers Club Promotes Healthy Lifestyle

The purpose of the Health Career Club is to promote a healthy lifestyle among students and faculty by encouraging the improvement of physical and mental health status. The goal of the club is to educate students and faculty in various aspects of a healthy lifestyle by providing information on topics related to health trends and disease morbidity. Mrs. Boyert is the club sponsor. During the school year there was no need for dues or fund raisers.

The club members are: Back Row: Jean Martin, Shauna Harmon, Mrs. Boyert. Middle Row: Kristin Neely, Tammy Cunningham, Tonya Everhart, and Paul Kenner. Front Row: Brian Tomlinson, and Ken Stober. Not Pictured: Kelly Follin, Matt Gieck, Rhonda Ham, Billie Jean Lee, Bill Mahr, Libby Manis, Deva Mayhugh, Joe Penn, Tammy Westerfield, Chris White, Tony Zappa, and Cassie Simmons.
The club officers are: Jean Martin, president; Shauna Harmon, vice-president; Billie Jean Lee, secretary. Lower Left: Mrs. Boyert, the club sponsor.

The Booster

The Staff That Boosts The "Booster"

The 1985-1986 Booster Staff represents a cross-section of grades, interests and abilities.

The Staff is involved in all aspects of printing a newspaper: advertising (soliciting and drawing ads), copy, interviews, layout, and photography.

"The main purpose of the course is not necessarily to produce newspapers, but rather to have, as close as possible, a real-world laboratory for creating a newspaper. Mistakes will be made. They are made by the professionals. We just try to help avoid those mistakes, and try to learn from the mistakes made," Giacalone said.

PAW PRINTS

VICA Members Prepare for Vocation

VICA is a youth leadership training program for any student enrolled in an approved vocational industrial class.

Larry Alcorn is the instructor of the vocational carpentry class. Ed Lenheim is the instructor of the auto mechanics class. And Jack Mitchell is the instructor of the CIT class.

Seniors in vocational carpentry took prevocational carpentry as juniors. In prevocational carpentry they learned techniques, tools, and house planning. As seniors, the students do all the construction, except electrical work, plumbing, and heating; which is done by professionals.

Vocational carpentry gives the students the satisfaction of seeing the progress of their project from start to finish.

CIT or Cooperative Industrial Training is an occupational work training program where the school and industry cooperate in providing vocational industrial training for students. The class is taught by Jack Mitchell.

Auto Mechanics II is taught by Ed Lenheim for 3 hours a day. A person is eligible to take the course after completing Auto I.

While enrolled in Auto II students get hands-on experience. Most of Auto II's customers are students and faculty. They also get a few customers from local auto shops.

Upper Right: Mr. Larry Alcorn, Keith Sheckels, Chris Tramel, Mike Stempel, Chris Burgess, Louis Martinez, John Trager, Gary Creason, John Russell, Troy Armintrout, Bobby Wild.
Center Right: Mr. Jack Mitchell, Mike McGinnis, Tracy Moore, Jerry Nancy, Robbie Wing, Tonya Everhart, Dawn LaRose, John Swartz.
Center Left: Chris Roark, surprised at being caught spray painting a car, in the wrong way.

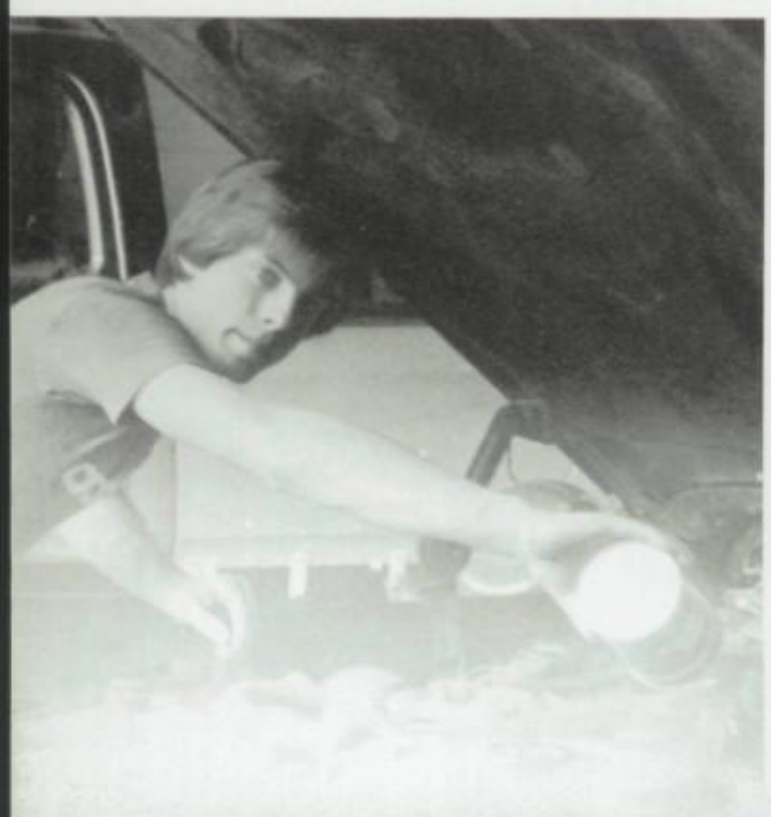
Bottom Right: Pat Fletcher, Dale Schiedel, Danny Fernandez, Richard Tomlinson, Danny Pierson, Pete Wake, Mike Clements, Kevin White, Mike Haggerty, Chris Roark, Steve Stratton.



Industrial Arts Club Members Develop Leadership

Industrial Arts Club sponsored by Mr. Mike Schmieding, is an organization that combines leadership qualities, scholarship, education, and social activities while promoting industry in school, community, and state.

The only requirement for membership is that a person takes an industrial arts class.

The officers are: Brian Fetters — President, Jessie McDonald — Vice President, Stacie Feldman — Secretary, and Richard Holroyd — Treasurer.

Group Picture: Front Row: Richard Holroid, Danny Smith, Staci Feldman, David Ruis. Middle Row: Jesse McDonald, David Jackson, Terry Sport, Rick Leiker, Scott Christy, John Harkins, Brian Fetters.

Students Helping People

K.a.y.s. has only been at Turner for five years. Mrs. McDonald, the sponsor, was asked by the students to sponsor the club. She really enjoys working with the students.

K.a.y.s. is a character-building leadership-training program directed by the Kansas State High School Activities Association. Club service projects, programs and parties give the students an opportunity to participate in a citizenship laboratory. The programs educate, inspire and direct members into carefully planned service projects.

The K.a.y.s. have done many things this year. They raised $ 150.00 for the Ronald McDonald house, sold posters and made $700.00 for the American Heart Association, collected clothes, food, and blankets for the Project Warmth sponsored by The Kansas City Star and Channel 5, and have started a S.A.D.D. (Students against drunk drivers) organization at Turner. They also had some faculty appreciation days where they gave the faculty a treat.

Upper Left: Mrs. McDonald takes a break after making food baskets for the needy.

FCA Supports Positive Lifestyle

FCA is a club centered on athletes and their relationship with Jesus Christ. The purpose of FCA is to make the students aware of a good lifestyle, alternatives to negative influence, apply them to their lives as a student and an athlete. FCA meets at members' homes and at activity centers.

The FCA sponsor is Mr. Clark. Robbie Hamilton serves as president and Gary Creason and Rhonda Beery as officers.

Top: FCA Members: Mike Fergus, Dean McDaniel, Peter White, Tom Hart, Mike Peak, Mr. Clark, Buddy Savery, Rhonda Beery, Rusty Hylton, Chol Kim, Robbie Hamilton, Chris Hyde, Joe Avelluto, Jerry Webb. Bottom Left: FCA members concentrate on what to do next. Bottom Right: Mr. Clark, FCA Sponsor.

Self Understanding Maximizing Individual Talents Spells SUMIT

SUMIT, Self understanding maximizing individual talents, meets on Thursdays and Fridays, third through sixth hours. SUMIT is the high school level of gifted education class. Students have been involved in this program since 4th grade. One of the main purposes is to develop the intellectual potential of all students involved. Some students are received into the program if they score high enough on a qualifying test.

Members: Karla Cater, James Copeland, Michael Fitch, Sean Gibson, David Henson, David Jackson, Robbyn Leonard, Edward Lust, Carmen Routh, Cynda Vankeinsbilck, Karen Zielsdorf, Doug Ramsey, Tim Reardon, Kathyrn Lawhorn, Mary Bremenkamp, Jeff Fosdick, Scott Gsoell, Julie Hathaway, Michelle Crone, Deanna Dresel, Matt Gieck, Phillip Godding, Chol Kim, Kelly Orrick, James Shebel, Karen Strohlman.

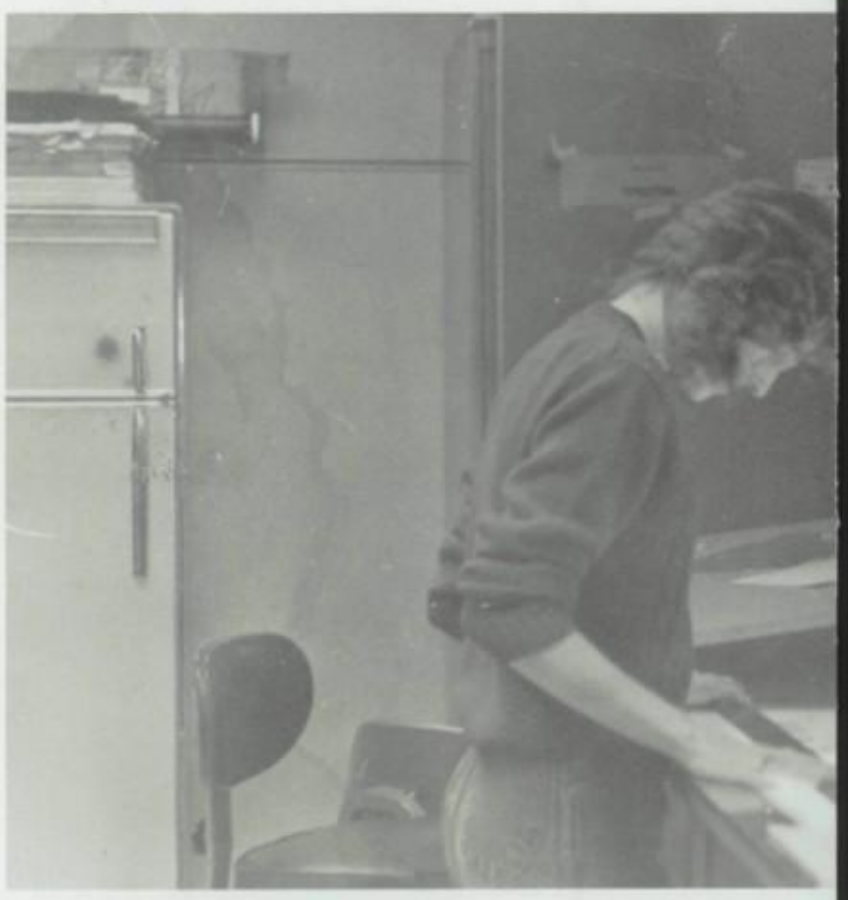
AVTS Students Are Ready for the Job



The following students are a part of AVTS. Shawn Botka is in Truck Mechanics, Roger Hill and Donald Larkey are in Auto Mechanics, and Gayla Miller is in Graphic Arts. AVTS is an Area Vocational Technical School which helps people prepare for a career. The school offers many different selections of classes such as: Auto Mechanics, Truck Mechanics, Cosmetology, and Graphic Arts to name a few.

The AVTS student attends one or two hours at Turner High School then reports to his AVTS locations. The students must find his own transportation to and from the schools. AVTS has become very helpful to many students, not only from Turner, but from many other schools. This year Mr. Hentges is coordinating the AVTS.

Vocal Groups Have Active Schedule

The Vocal Music groups are sponsored by Mr. Jerry Cundiff. There are three groups this year, the Women's Chorus which consists of 9 members, the Turner Chorale which has 11 members and the Choir with 23. The Chorus members meet every day during 4th, 5th, and 6th hour.

The members of the Turner Chorale and the Women's Chorus participated in many activities this year. The following events are ones in which they participated in.

Oct. 21, 22	UMKC Mid West Vocal Arts Festival
Nov. 21-22	Bye Bye Birdie
Dec. 8	Yuletide Festival
Jan. 30	PTSA Talent Show
Feb. 5-6	A Centennial Celebration for KCK with the Kansas City Symphony
Feb. 20	League Choral Festival
March 20	Contest Concert
March 22	State Regional Music Contest
March 25	Spring Concert
May 2	Fine Arts Review
May 3	State Music Festival

Halley's Comet Sparks Interest in Science

After several years of being inactive, the Turner High School Science Club was reactivated. Interest has been high because of the return of Halley's Comet. The club project for this year was following the path of Halley's Comet as it has neared the earth and returned to space. A Celestron Super C-8 Plus telescope was purchased by the Board of Education for the club's use. Throughout the year the club hosted several star parties. Star parties consisted of the getting together at Pierson Park and viewing the comet through the new telescope and through binoculars. When the comet couldn't be sighted the club viewed the constellations or the star formations. The club goal was to become more familiar with the stars and constellations as they change from month to month. The club voted to charge a fee of two dollars for membership in the club.

Youth for Christ Members Enjoy Good Times

Youth for Christ club stems from Kansas City Youth for Christ. KCYFC is a non-denominational youth organization.

Turner's Y.F.C. club is one of many found in junior and senior high schools across the state of Kansas.

The purpose of Turner's Youth for Christ club is to give teenagers the opportunity to have a personal relationship with Jesus Christ. It also provides major fun and good times.

Meetings have included: great food, fascinating speakers, crazy games and songs, scavenger hunts, plaza carriage rides, rallies, films, pizza, parties and the opportunity to be with other great people from Turner High School.

Y.F.C. club meets every Monday night at the home of Mr. and Mrs. Bernard Ford, who are the sponsors.

SPORTS

Bears Taste Victory

You'd think this year's football team was Rodney Dangerfield because at the beginning of the year nobody gave them the recognition they deserved. But as the year got underway teams soon became firm believers in the Bears. It was definitely a year for "Turner on the Rise." Just compare last year's record (0-9) to this year's (3-6). It doesn't seem like a great difference but it sure is a good start.

There were a lot of reasons for Turner's sudden turnaround. The big reason was the team never gave up. They had the "want to win," rather than giving up when they were down. They played the game with a lot of pride, determination, intensity and sportsmanship. Their pride, determination and intensity were the big factors in the change. They had pride; they went out every week knowing that they represented Turner and they were proud of it. Sportsmanship was the big question this year. The team had to overcome a bad reputation that was left by former teams. Their respect for the game started showing as the kids went out to play the game rather than looking for a fight. This was probably the main reason for Turner's gaining respect. Not only did the team prove they were good sports but they proved to everyone that they were not push-overs. They were finally able to compete with other schools.

The team got the year off to its best start in a long while by defeating the Harmon Hawks (20-14). In the second game they ran into trouble with five Bear starters going out due to injury. The team had 2 major highlights of the year. The first was defeating Ottawa (38-14) for the first time in 17 years. Also they defeated the Bonner Braves (16-8). This one was the sweetest because it was the first homecoming victory in many years. The Bears did what they set out to do, gain respect from all their peers around the Eastern Kansas League.

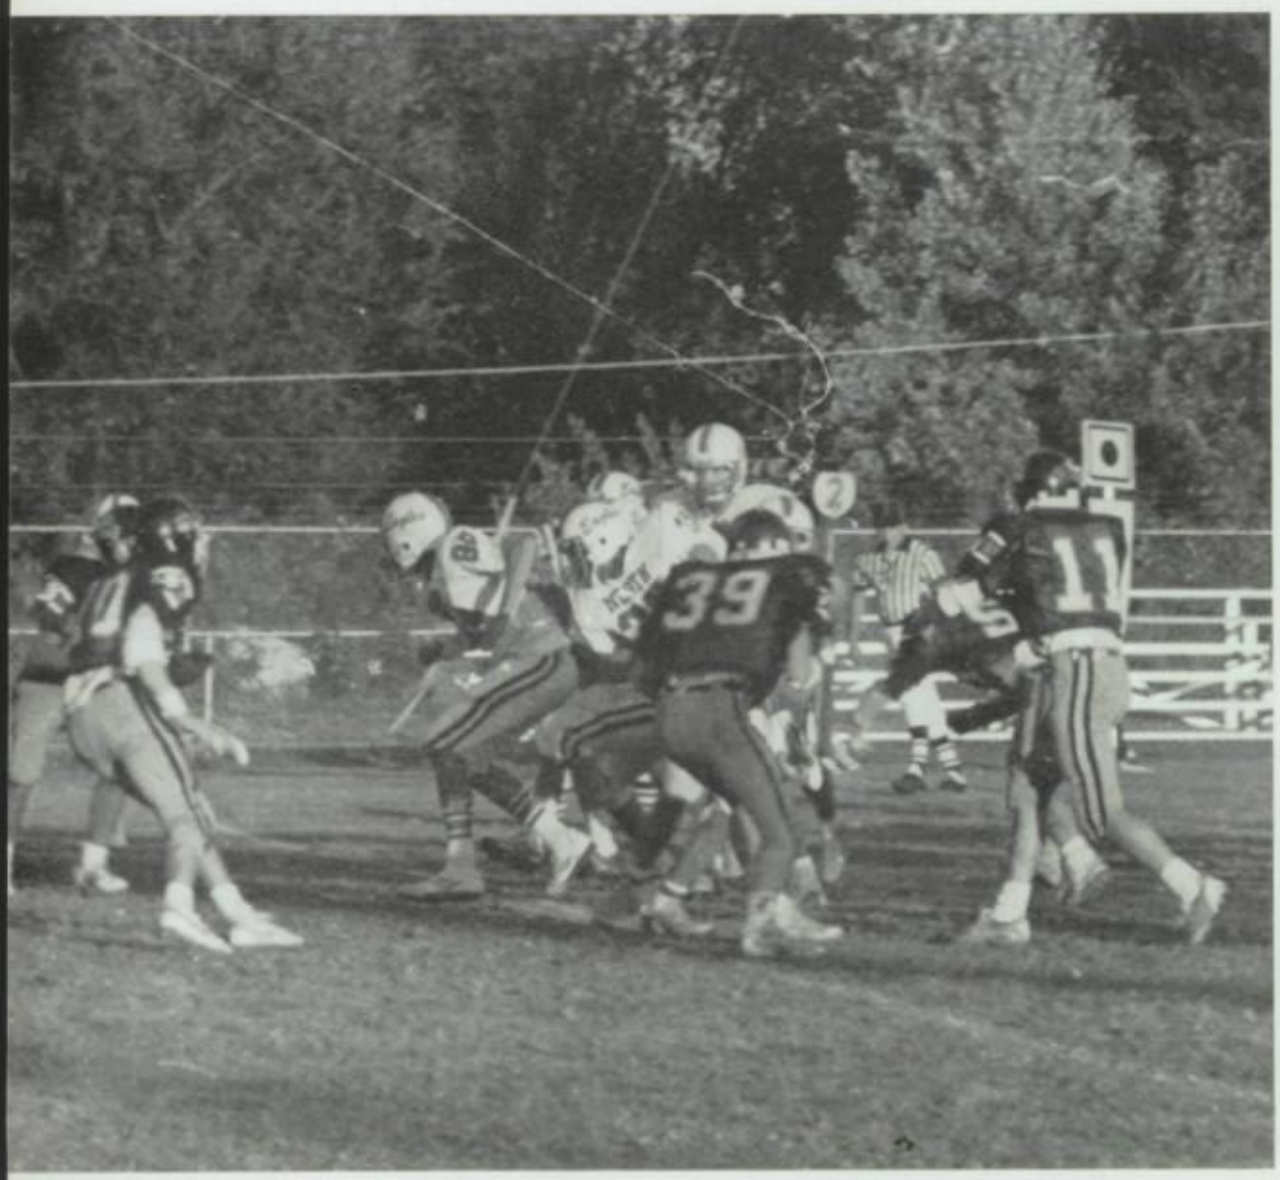
JV Team Learns Football Fundamentals



Upper Left: The Bears Defense tears apart the Eagles team to find the man with the ball.
Upper Right: The Bears linemen put the blinders on the Eagles.
Lower: Turners defense put their paws on the Eagles running back.

Going through a winless season doesn't hold many bright spots, but there still is a bright future according to Coach Giacalone.

"This team has a great amount of character and potential," Giacalone said. "Despite being shutout in six games this season the junior varsity did learn. This team learned our fundamental philosophy and know what to expect in the future."

The lack of high school experience posed a serious deficit for the team. Playing with primarily sophomores the junior varsity squad played primarily against juniors. As for Giacalone he felt it was a good experience. "I'm disappointed we didn't win some games, I'd be lying if I said I wasn't," Giacalone said. "What our season did do is mature our athletes," he added.

If the junior varsity squad continues to improve and build upon the fundamental philosophy which they have been taught the Turner program will continue its constant improvement.

Olathe S.	49	Turner	0
Miege	40	Turner	0
Ward	30	Turner	6

Volleyball

The 1985 Volleyball team ended with an overall record of 4-21. "It was a frustrating year for the girls as well as myself," Coach Dena Dellasega stated. "We had so much individual talent on the court, but lacked consistency and the ability to win the close matches. There are only a few games that I can remember that the girls were not competitive and were totally outmatched."

Rhonda Beery, Senior, was selected for the EKL all-conference team, the all-star team at the Ottawa tournament, and led the team in spiking points.

Ottawa	Lost

Diane Vandevelde #41 led the team in serves and spikes.

Rhonda Beery #22 led the team in spiking points.

Kim Doyle #21 was the leading setter and also led in serves.

Rhonda Howe #24 helped out the team with her serves and her setting.

Kathryn Lawhorn #32 helped the team with her serving.

Pansy Simmons #31 led the team also in her spiking ability.

Kristie Walker #20 helped the team with her serving.

Coach Dena Dellasega has coached volleyball at Turner for five years.

Jamey Farris #10 was a help to the team by her setting ability.

Amber Dockery #23 helped the team with her serving and her sets.

JV Volleyball

The Junior Varsity Volleyball squad coached by Nancy Mickiewicz worked hard together, but just couldn't combine their individual talents into a successful team.

"Coming together for the first time they worked primarily on skill development and working together. Although they did not have a winning season they will be well prepared for success in the upcoming seasons," Mickiewicz said.

According to Karla Carter, "There was a large amount of individual talent on the team, unfortunately, our biggest problem was the inability to combine our talent to promote a winning season."

Team Picture: Back Row: Jenny Cook, Tammy Cunningham, JoAnn Sheble, Karla Carter, Beth Lowery, Lisa Bradwell, Lori Till. Front Row: Barbara Henery, Michelle Harris, Stacy McFarland, Dana Zarr.

Spirit!

It was the Harmon game that brought the spirit roaring in the halls of Turner High! With the spirit that was sky high the Varsity Cheerleaders wanted the best for their game against Blue Valley.

So what the Varsity Cheerleaders decided to do was surprise the team with a limo waiting for them at school at 6:00 a.m. The cheerleaders picked the team up in decorated cars and brought them down to the limo which had everything in it you would ever want.

They all squeezed in, and off they went to breakfast at International House of Pancakes.

After breakfast the train of decorated cars, and limo proceeded back to school with loud horns and cheering voices, then applause from students in front of the school, greeting the guys as they were escorted into school by the cheerleaders.

Victory-bound Bleacher-Bums . . .

What is a bleacher bum? That was the question asked by the students of THS. The bleacher bums are a very unique group of spirited people who came to games with non-stop spirit.

The bleacher bums came to almost every volleyball game to support the girls.

The most outstanding thing that the group did was to come into the game singing "boom chug a lug, a lug, boom chug alugga," with also the bright shining spirit of their faces colored in black and gold for THS.

This is the year for spirit to stand out and these bleacher bums did it all. When they said "go," the crowd would listen. So the bleacher bums are the leaders. They lead us on to victory.

'85 SOCCER . . .

The '85 soccer season was one which the Bears grew stronger. They not only practically doubled in size, but also gained experience in playing against very experienced teams.

Although the varsity team didn't have an overall winning season, they did set an all-time record at T.H.S. for most goals scored in one game. The score was 5-2 against Kansas City Lutheran. This was only the third game of the season and at the same time being a record-setting game had the Bears fired up. The winning streak of the season was limited to that one game.

Although the Varsity Bears finished the season with a 1:7:1 record, the team was very optimistic throughout the entire season. Bryon Bowman, Willie Nagle, and Chan Peck were the only three returning varsity lettermen and therefore had a big job setting examples and giving ideas to help improve the team. Varsity team coach David Hentges predicts that there will be approximately 15 varsity lettermen returning to the 86-87 season.

When asked how he felt about the season, Coach Hentges replied, "I feel this was a building year; overall, our team will be much better representatives of T.H.S. on the soccer field next year."

Due to the growth in the interest in soccer, there were almost twice as many players this year as there were last year. Along with this growth came a new team, the Junior Varsity Bears. With a 3:7:2 record, the team showed great potential and basically the season learning to work with one another to form a stronger team.

Terry Benson, J-V soccer coach said, "The fact that the J.V. team won three games and tied two showed that they were competitive and many of the players from the team should help the varsity squad next year."

Pictured left is the Junior Varsity team. Randy Carney, David Kidwell, Matt Vogel, Brandon Lafon, Shawn Smotherman, Terry Boettcher. Second row: Larry Boettcher, Boyd Owens, Ronnie Barnes, Jimmy Kincheloe, Shawn Swartz, Jim Titus, John Becerra. Not pictured: Kolby Kampschroeder. Success Cannot Be Measured

Cross country is an individualized sport. It requires time, effort, and determination. Although there was a lack of quantity of points this year, the quality was always there.

Kim Holder, senior, placed 4th at the home meet, 16th at Miege, 21st at Bonner, 33rd at Ottawa, and 8th at Aquinas. "I didn't perform as well as I had planned, but it got me into shape. I'm looking forward to track this spring. I was pleased by my sister's performance. I hope that she will stay with it through her high school years. With a great coach like Mr. Vaughn, I know she will do well," said Kim Holder.

Dawn Holder, freshman, placed 21st at Olathe South, 32nd at Bonner, 38th at Ottawa, 21st at Miege, and 6th at the home meet. "I was glad to have the opportunity to run with the Turner team. It was a challenge to run with my sister. Mr. Vaughn always ran along with us. Mr. Vaughn always had a positive attitude toward our performance. Which made us feel very good. I'm looking forward to cross country next year," said Dawn.

Larry Denning, junior, placed 3rd at Ottawa, 22nd at Miege, and 11th at our home meet. Larry did not participate in the first two meets.

Across from left to right, **Robert Cambell,** Ricky Sodders, Micky Kilburn, and Larry Denning.
Bottom Left: Robert Cambell and Mr. Vaughn.
Bottom Right: Ricky Sodders.

by Wins and Losses

Micky Kilburn, sophomore, placed 57th at Bonner, 26th at Ottawa, 27th at Miege, and 13th at our home meet. "I had a lot of fun. Cross Country was a blast, Mr. Vaughn is really cool," said Micky.

Ricky Sodders, sophomore, placed 17th at our home meet, 69th at Bonner, and 34th at Miege. "I enjoyed the season but I'm glad it's over with. I'm looking forward to track season. Mr. Vaughn is a great coach."

Robert Cambell, sophomore, placed 16th at Aquanis, 28th at Miege, and 26th at Ottawa. "I thought Cross Country was a lot of fun. I am planning on joining track this year, I also think Mr. Vaughn did a good job of coaching. I really like him," said Robert.

Doug Ramsey, sophomore, placed 76th at Ottawa, and 35th at Miege. "Although my injury kept me from doing my best, I had a lot of fun. Mr. Vaughn kept the team spirit up."

Adrienne Daily, junior, placed 15th at our home meet, 46th at Bonner, and 58th at Ottawa." It was fun. Mr. Vaughn is a good coach and he is also a good teacher. He understands," said Adrienne.

"With our letterman returning next year we should be better. As our team members get more experienced they get better." said Mr. Vaughn, Cross Country coach.

Right: As the ball comes off the rim the Bears begin crashing the boards.

Basketball Team

When you look at the boy's varsity basketball record, the win column didn't change much throughout the last few games. In fact, the Bears managed one win after the Tonganoxie Tournament. That victory was against the Ottawa Cyclones, with an easy victory.

When asked about the season, the head coach, Gary Squires gave no excuses, just facts.

"We're just inconsistent," said Squires. "You can't expect to win on a consistent basis, when your ready one day and not ready the next time you step out on the floor," Squires added, "Throughout the year we played a winning brand of ball through the first two quarters, but along the stretch we just couldn't hang with the other teams."

Squires referred to the lack of depth the Bears had to deal with. The loss of Pat Jiminez to an ankle injury caused Squires to look to underclassmen.

"We have a young team, with only one senior, two juniors and two sophomores making up the starting lineup. I've seen good things come from these kids."

J V Players train for Future Seasons

The J.V. season was a season full of lows and no highs. The personel was there but a winning combination couldn't be found. One of the problems was playing players only one quarter to save them for the Varsity game, but that is what playing J.V. is all about. They finished with a 0-16 record but they will add to the Varsity team next year.

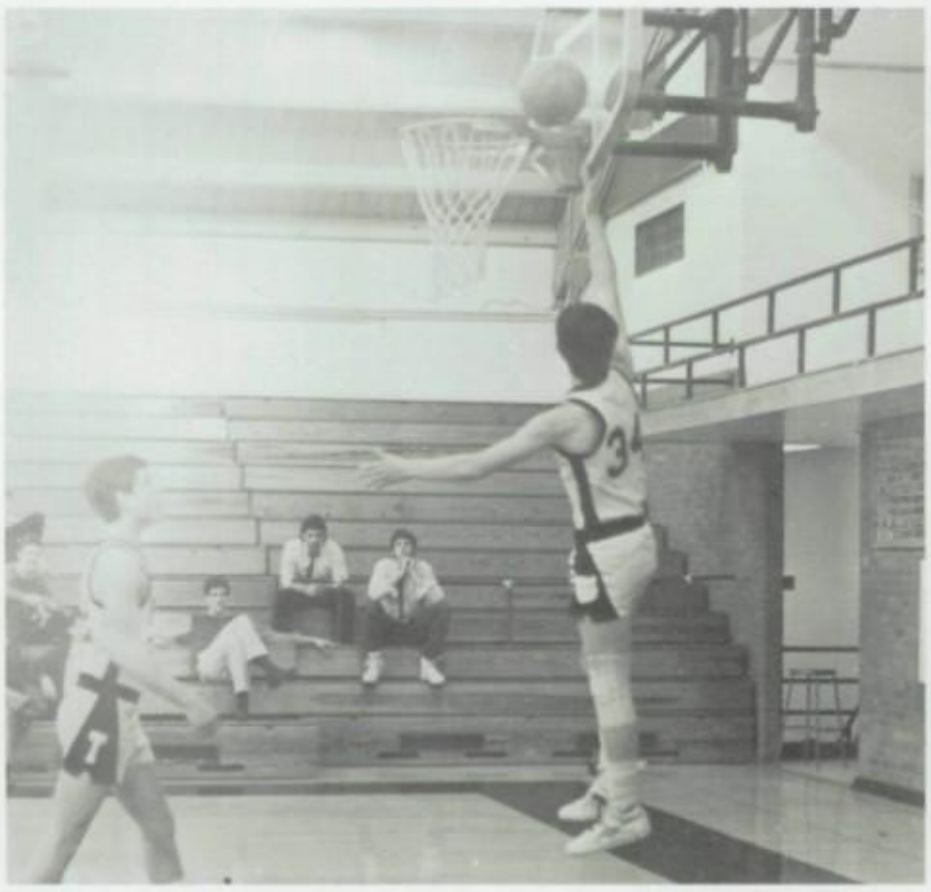
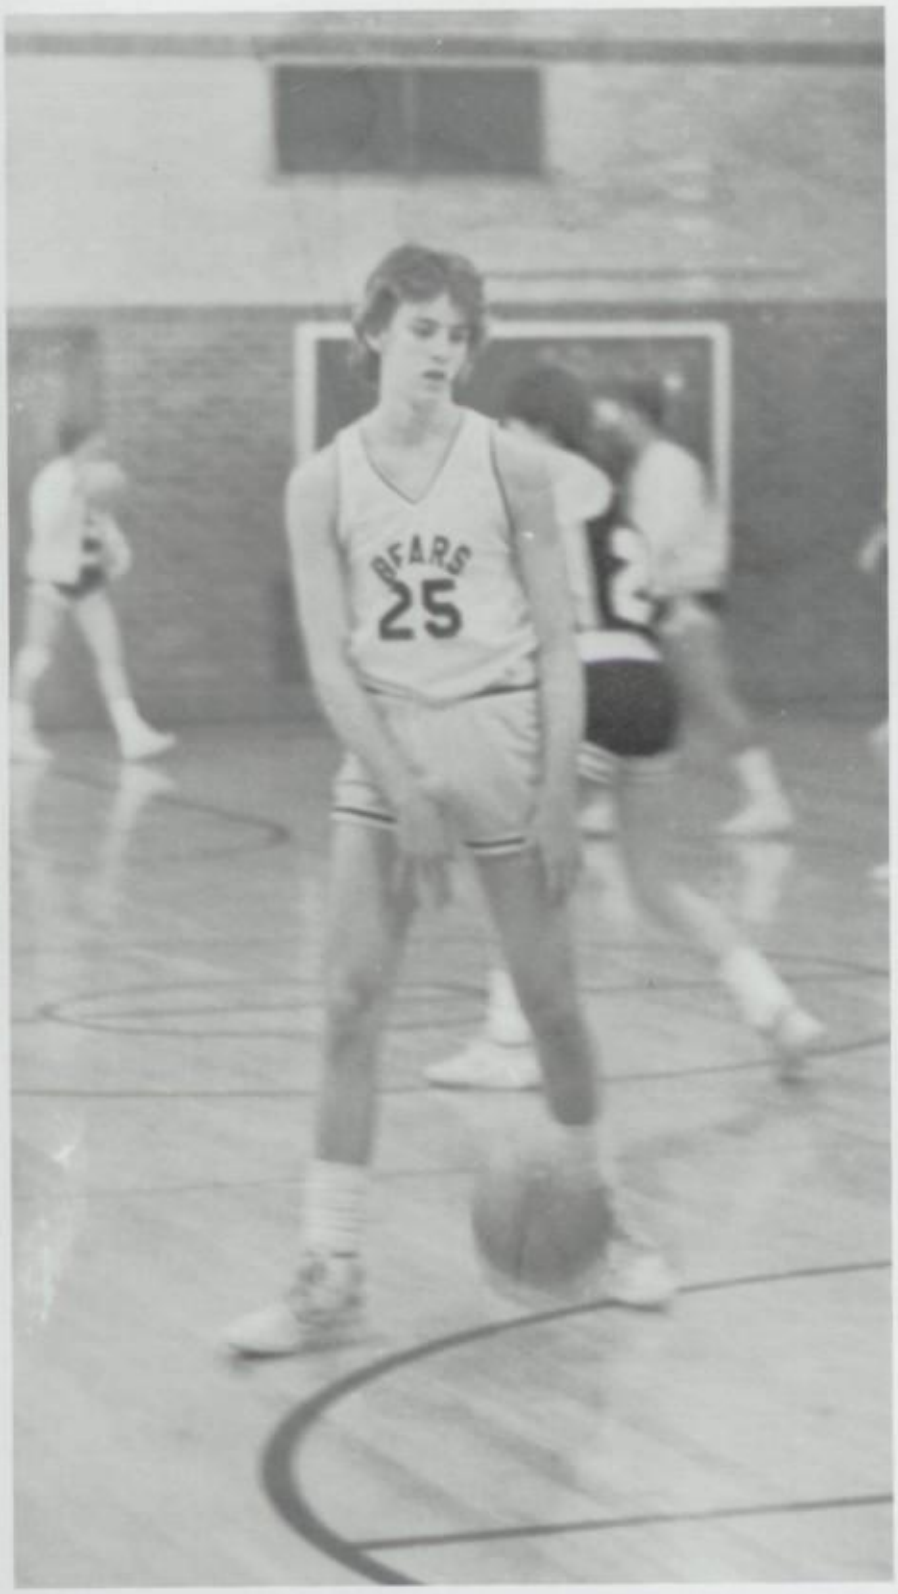
Front Row: Steve Stanley, Brian Emig, Dean McDaniel, Brandon Dockins.
Back Row: Todd Suman, Willie Nagle, Rick Leiker, Tom Hart, Coach Greg Clark.





Sophomore Team Looks To Next Year

The sophomores showed that they never gave up. One of their biggest problems was not knowing who would play because of the shortage on the varsity and JV teams.

Coach Dwight Spencer said "The team showed improvement throughout the season."

Back Row: Mike McCuiston, Billie Huesten, Mark Johnson, Mark Rush, Coach Spencer. Front Row: Mike Jordan, Dicky Dorsey, Jay Stack.

Individual Achievements, Friendship and Team Work

Individual achievements, friendship, and team work were the rewards for the girls basketball team. Although the Varsity Girls Basketball team did not have a winning season, the girls worked very hard in order to combine their talents. The team was made up mostly of sophomores who lacked varsity experience. As the season progressed these sophomores were able to combine their experience and talent with the juniors and seniors by the close of the season the team was beginning to work well together, but was unable to put together four consistent quarters. Our best game was against Southwest Missouri, Turner won the game, 59 to 39.

JV Players Prepare for Next Year

The Junior Varsity team achieved many things during the season, they experienced playing the whole game because of the shortage of players. They did not have a winning season, but gave it everything they had. The Junior Varsity players also suited up for the Varsity games, they gained Varsity experience and look forward to a good team next year. The team also made individual achievements such as Friendship and Teamwork.

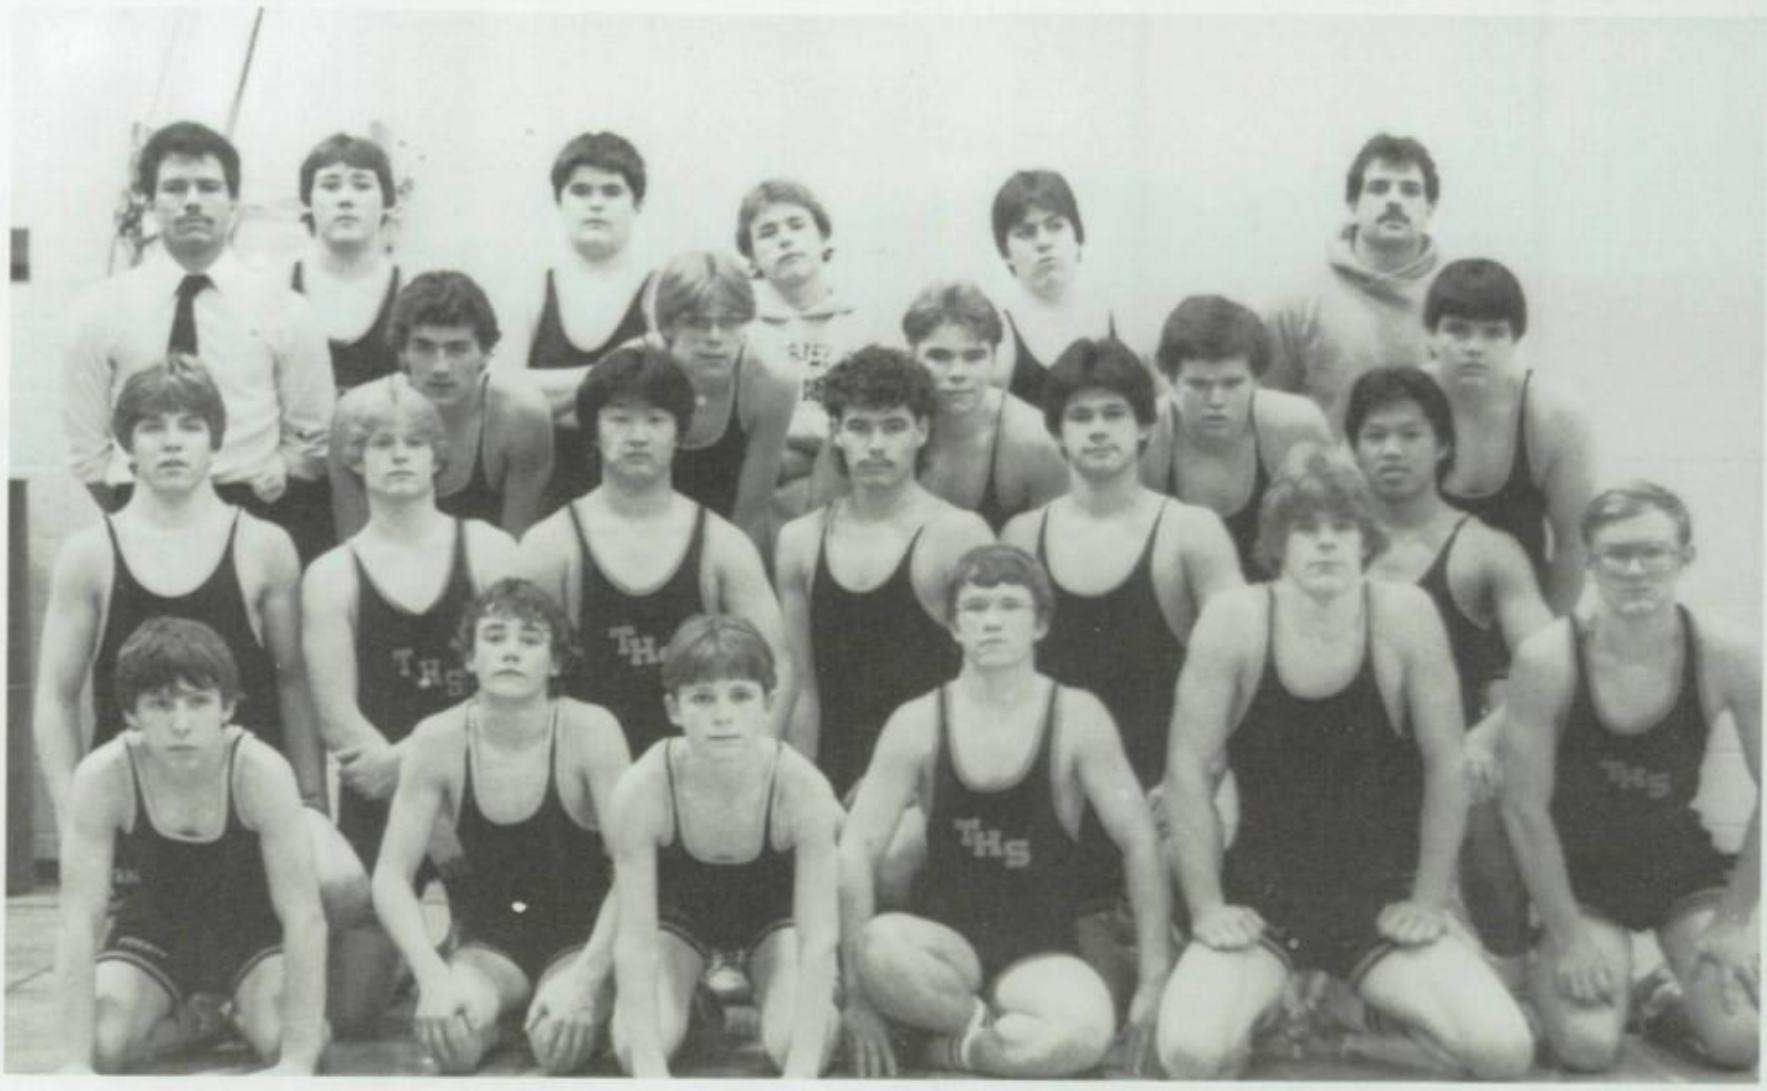
Practice, Practice, Practice

The Winter Sports participants had many hard hours of practicing for their long season. There were many disappointments for the teams, but also some excitement and improvement as the season progressed. Most practices lasted two and half to three hours. All the participants put in many hard hours and a lot of sweat to run offensive and defensive plays accurately and effectively. The teams worked hard together to become a team, a family, they all wanted to strive and have a winning season, but the only team to achieve this goal was wrestling. Each sport had its own reward along with its disappointments.

Upper Left: Melissa Hart jumping for the ball.
Lower Left: Shawn Gee pinning his opponent.
Upper Right: Rob Hamilton Jump Ball.



The trend goes on in the 85-86 year. The THS wrestlers, for the second consecutive year, had a great season. The 84-85 and 85-86 seasons were the best they have had in over a decade. The varsity squad had a record of ten wins and five losses, while the junior varsity had an eleven win, one loss record.

David Ruis led the team with forty-four takedowns and thirty escapes. Kevin Ward led the team with twenty four reversals and Albert Smith with thirty-two never falls. Smith also led the team in overall wins, while Marvin Bigham was on top with sixteen pins.

Coach Carmody was pleasingly surprised with this years success. Carmody commented, "This year was a surprise considering the experience of the players. Last year four wrestlers qualified for state competition with no returns." Carmody claimed that, "the team this year was green," and that he was very proud of the players. He described the team as, "A group of athletes working hard for success as a team."

Above: Front Row: Albert Smith, Marvin Bigham, Robert Campbell, Bob Wright, Kevin Ward, Larry Teal. Second Row: Rick Shapiro, David Kelly, Won Park, David Ruis, Khone Boumiswang. Third Row: Coach Giacalone, John McCombs, Mike Clements, Jim Farley, Pat Forrester, Shawn Gee. Fourth Row: Tom McClain, David Henson, David Rhoades, Rod Smith, Coach Carmody.

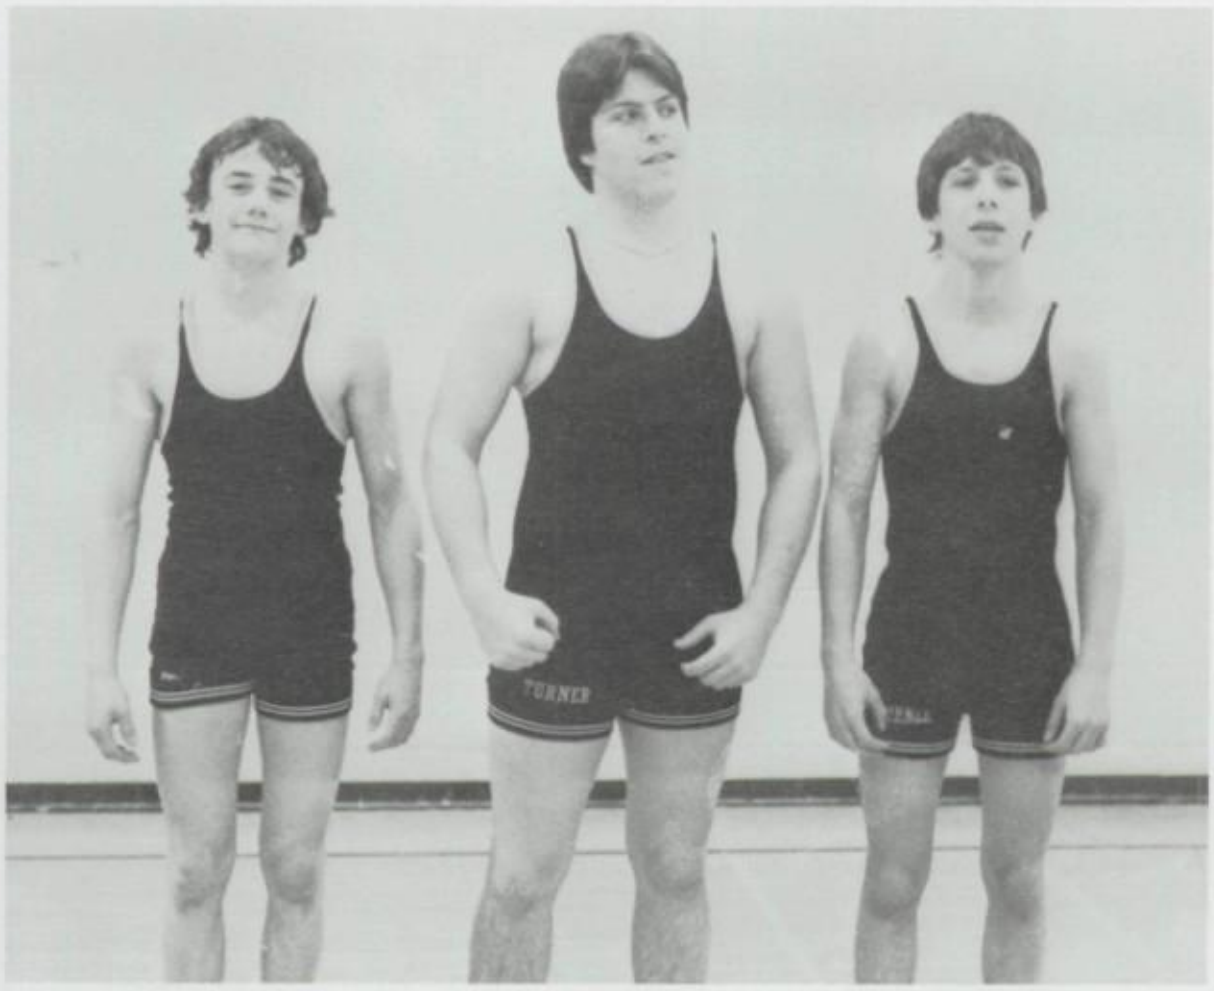
WRESTLERS CONTINUE ASCENT BEGAN LAST YEAR



During the '86 season four wrestlers excelled. Marvin Bigham, Albert Smith, Travis Shirley and Rod Smith were the four representatives of Turner at the state competitions.

Left: Marvin Bigham, Rod Smith, and Albert Smith, three of four who went to state.
Below Left: Travis Shirley, a freshman wrestler who went to state.
Below Right: A student grapples his opponent.

Cheerleaders

The 1985-86 Cheerleaders were extremely busy this year. The summer of '85 found them at ICF Camp on the K.U. campers the Varsity squad won a runner-up Grand Champion Competition award and sophomore Robbyn Leonard earned an individual outstanding Cheerleader ribbon.

During the fall and winter, all four squads could be seen at soccer, volleyball, football, wrestling and boys and girls basketball games.

Each squad had approximately 50 cheering duties for Fall and Winter Sports, said sponsor Jeanie Bond.

"Few people realize how busy these girls are, In addition, they must meet the KSHSAA grade requirements."

A cheerleader's life is indeed a busy one, but the rewards are well worth the efforts.

GOLDENETTE DRILL TEAM

Picture Above: First row: Rhonda Beery, Beth Briggs, Yong Mee Park, Rhonda Howe, Shelli Ray Second row: Belma Gomez, Ms. Cummings, Lisa Piersee Third Row: Jonnett Hopkins, Jessica Han, Sherri Goodman, Amy Mains, Heather Adams, Carmen Goodall, Barbara Pipkins, Lynita Wallace, Amy Reardon, Rita Collins, Jamie Farris Fourth row: Lisa Carlson, Lisa Banister, Lita Westfall, Lana Widener, Lora DeFries, Laura Smith, Marcia Byun.
Below Right: Drill team in the Turner Days parade.
Below Left: Senior drill team members on Senior recognition night.

The experience which the Goldenettes possess has been a factor in establishing an award-winning team. The 25 members which make up the squad have a total of 93 years dancing experience on a drill team, including high school, junior high and grade school throughout the Turner district. The team consisted of seven seniors, 11 juniors, and seven sophomores.

"A special thanks to Yong Mee Park, captain, and Rhonda Howe, Rhonda Beery, Shelli Ray and Beth Briggs, all line captains. All of these girls have performed admirably over the last three years," said Ms. Cummings, sponsor. "Through their hard work, experience and leadership they have helped contribute three trophies, two spirit awards, and a "Most Admired Team" award to the trophy case at Turner.

The Goldenettes attended NCA Superstar Drillteam Camp at Kansas University. The Goldenettes did an excellent job bringing home a Sweepstakes trophy, a Home Routine trophy, a Spirit Pom, 113 blue (excellent) ribbons, 11 red (superior) ribbons, and 1 white (outstanding) ribbon.

The summer camp was just part of the busy schedule which the girls endured. They hosted a little girls dance clinic.

"This year I have experienced nothing but pleasure and pride working with these young ladies, we've had a great year," said Ms. Cummings. "A congratulations to all the Goldenettes past and present for your hard work over the years."

Lower Left: Pigging out on pizza at camp is the best part.
Lower Right: Senior night at the football game. Laura Smith and Beth Briggs hug like little sisters.

SURFIN' THS

The boys looked ready for the waves, and the girls were ready for the beach, as everyone danced the night away to the top 40 songs.

Winter Sports '86, with the theme "Surfin' THS" was a beachin' good time for the students. Not only did they have a good time at the dance, but also they worked together in the class competition during spirit week.

The week began with the announcement of the winter sports queen finalists: Rhonda Beery, Kim Doyle, Tami Noon, Julie Gerber, Valerie Lehnen, Dianne Van Deelde, and Kris Thurston. There were also king finalists: Robbie Hamilton, Carlos Serra, Gary Creason, Damon Holmes, Chris Roark, and Jeff Oswald. Amy Manis and David Ruis were junior reprsentatives and Barbara Henry and Steve Stanley were sophomore representatives.

After the votes were counted, Rhonda Beery and Robbie Hamilton were announced to be the winter sports queen and king at the Surfin' THS dance.

Students were decked out in many colors and bright ones at that, but then you had Louis Martinez in his Miami-Vice suit. The casual dress was fun as students danced to the great sounds of Jam-On Productions, put on by Mike Cannon and Phil Thurston.

Mr. Jam himself (Mike Cannon) kept the dance surfin' with the limbo contest which was won by Kim Winters, junior. There was a Mr. and Ms. legs contest won by seniors Julie Gerber and Damon Holmes.

As the waves went down we knew the surf wasn't up any more. As the beach closed down with the sounds of "Tequilla" from Pee Wee Herman's "Big Adventure."

Upper Right: Tami Noon, Valerie Lehnen, and Julie Gerber strut around for legs contest.
Center: Heather Tate boogies down with her friend Charlotte Barth.
Lower Left: Senior friends go stag to the dance.

Center Right: Kim Winters, winner of the Kimbo contest.
Bottom Left: Damon Holmes and Julie Gerber, winners of the Mr. and Ms. Legs contests.

Band Activities Varied

The Turner High School band members participated in many out-of-school activities this year.

One of which was with the Kansas City Youth Symphony in a recent concert at U.M.K.C. Band members attending were Tim Bright, Jeff Fosdick, Shaun Gee, and Terri Holsti. Jo Ann Clark, Karla Carter, Dan Dexter, Jeff Fosdick, and Katina Huyett were among several K.C.K. school musicians who performed with the Kansas City Symphony in the recent Centennial Celebration concert at Wyandotte High School.

On March 6, the band joined the K.C.K. high school bands in the 100th birthday celebration of the city. On Sunday, March 16, at 7:30 p.m., trombonists Tim Bright, Matt Conradt, Shaun Gee, David Henson, and Chris Jackson joined other K.C.K. area trombonists in the annual "T-Bone Sizzle" concert at White Recital Hall on the U.M.K.C. campus. This event allows High School trombonists to join with many of the professionals and play jazz.

For the second consecutive year the pep band played during the N.A.I.A. basketball tournament.

March 20th marked the annual small group contest concert in the band-room.

This has been an exciting year for the band; they have had the opportunity to take part in many different events.

The following are members of the Turner High School Concert Band: Tammy Arnold, Lisa Bradwell, Mary Bremenkamp, Tim Bright, Laura Cain, Rolly Cain, Karla Carter, Peter Cattaneo, Darren Chase, JoAnn Clark, Matthew Conradt, James Copeland, Chris Davis, Danny Dexter, Larry Dickerson, Sherri Dickerson, Amber Dockery, Rocky Dorsey, Deanna Dresel, Jim Farley, Joe Folsom, Jeff Fosdick, Angelia Foster, Cassandra Gage, Shaun Gee, Amy Goalder, Mike Haggerty, David Henson, Terry Holsti, John Hoover, Debbie House, Stacy Hudson, Katrina Huyett, Connie Jackman, Chris Jackson, David Jackson, Kirt Kampschroeder, Terry Kegin, David Kelley, Jessica Landrum, Charlene Leihy, Tricia Leihy, Lisa Lupardus, Eddie Lust, Robert Madrigal, Libby Manis, Melissa Mason, Kevin Messmer, Brad Miller, Roger Minniear, Willie Nagle, Curtis Nicholson, David Orser, Frank Overton, Won Park, Lorinda Parsons, Renee Pendergrass, Doug Ramsey, Karin Reid, Mike Santoyo, Rick Shapiro, Steve Slavens, Becky Smithey, James Stock, Dee Sterling, Karen Stohlmann, Jeanna Suman, James Tubbs, Dianne Vandevelde, Kristie Walker, Peter White, Julie Woods, Gina Zanatta, Stephanie Velsaquez, Randy Justice, Audra Durham, Craig Rawlings.

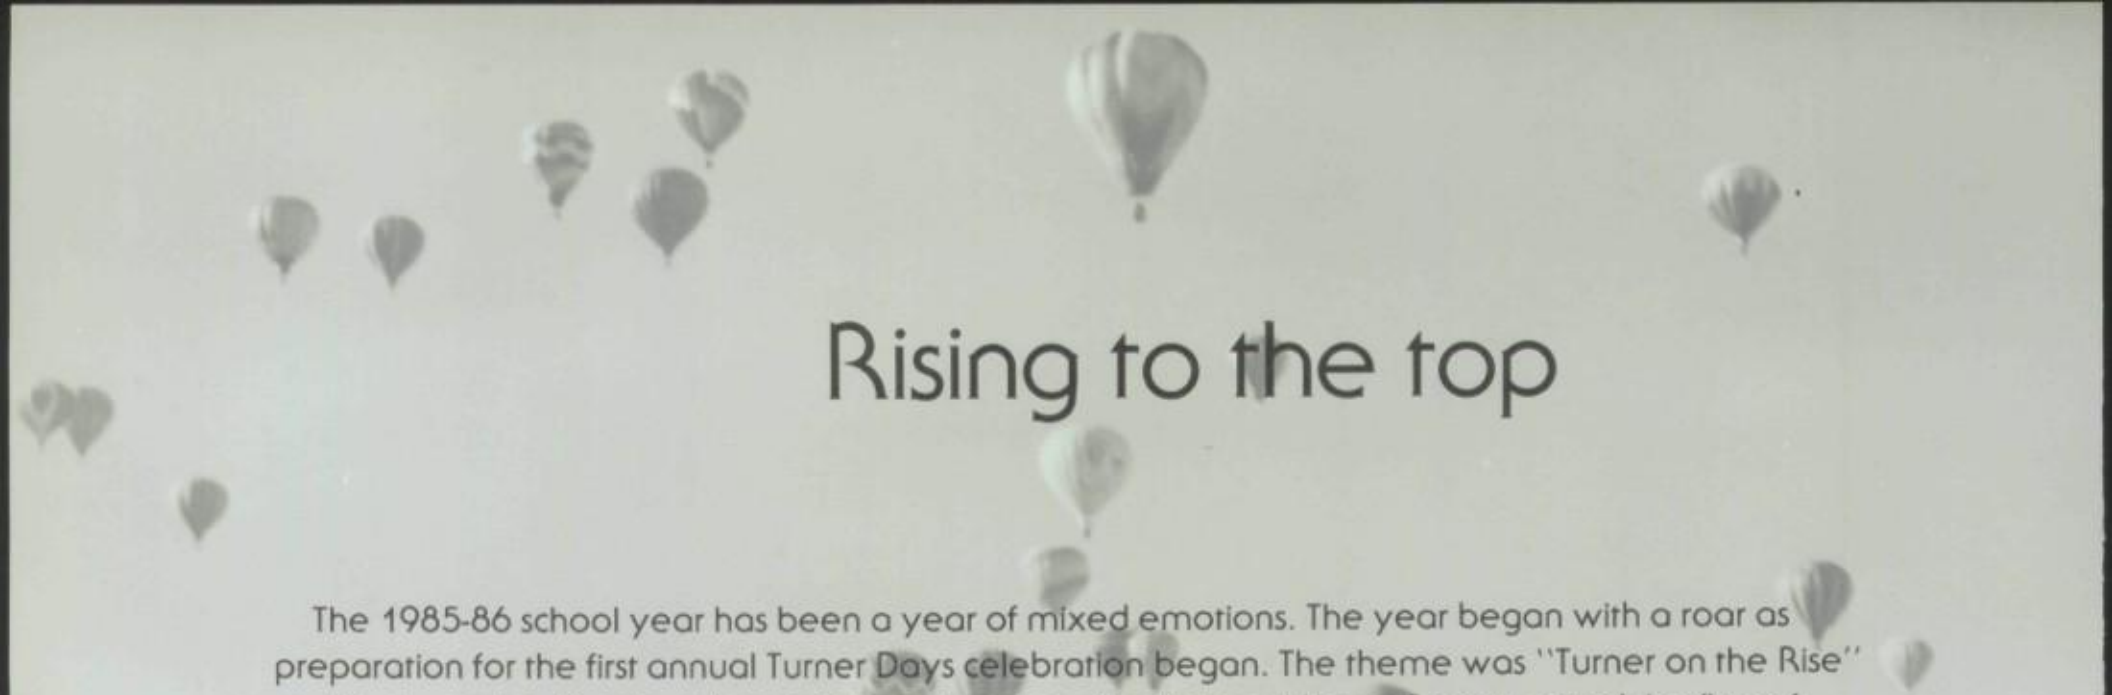
Right: Turner Band at a home football game.
Left: Turner Band during the Yuletide Festival.



Rising to the top

The 1985-86 school year has been a year of mixed emotions. The year began with a roar as preparation for the first annual Turner Days celebration began. The theme was "Turner on the Rise" and that was the direction the school was heading. The National Honor Society raised the flag of Learning and Liberty, the football team had the best season in 10 years, and there was a positive atmosphere in the school and the community.

Then tragedy. Seven people lost their lives in the space-shuttle crash, and Mr. Statton was killed in an automobile accident.

The senior class has risen from being sophomores to the apogee of high school. Many of them will be climbing higher and furthering their education either at a college or technical or trade school. Others will go straight into the job market. Whatever ladder they choose to climb, they will go with the memories of their high school years. The underclassmen will have new opportunities to rise and excel next year at Turner.

Colophoue

600 copies of the 1986 *Turnerit,* volume 53 were published by Taylor Publishing Company, Dallas, Texas. The trim page size is 7 ¾ by 10 ½ inches. There are 192 pages. Denise Wood was our Graphic Arts Specialist.

The paper is 70 pound matte stock. Type faces are: headlines, 24 and 30 pt. Serif Gothic; Division page headings, 36 pt. Serif Gothic; Copy, 10 pt. Serif Gothic; Picture Identifications, 8 pt. Serif Gothic. The cover is black Durolith with applied gold.

All portraits were furnished by DeCloud Studios. All other pictures were taken, processed and printed by staff members. Color pictures were processed by National Photo.

A special thanks to the following people: Nancy Mickicwicz, Mr. Angelo Giacalone; and the Booster Staff, Jim Gerber, Mrs. Levin, Mrs. Gaignet, Balloon Fantasies Inc., Jeff Oswald, Mary Margaret North, Toni Hart, Caroyn Wisner.

A Tribute, In Memoriam

Bill Stratton died February 4 at the age of 44 when his car was struck by a vehicle that had crossed the median of Interstate 70 near 65th Street in Kansas City, Kansas.

Mr. Stratton had taught social sciences at Turner High School for 16 years. He was teaching American Government, Sociology and International Relations and serving as department chairman and director of night school.

Mr. Stratton was a graduate of Dakota Wesleyan University, Mitchell, South Dakota; received a Master's Degree from the University of Missouri, Kansas City; and received a Specialist Degree from Emporia State University.

He was a Navy veteran of the Vietnam War. He was a member of Sacred Heart Catholic Church, Tonganoxie and a member of the Lawrence, Kansas Elks Lodge.

Teachers, by virtue of their professions more than their title, leave a lasting remembrance upon all students with whom they share their knowledge.

One such person was Mr. Stratton, teacher and contributor at THS since 1969.

We remember Mr. Stratton now, not because he died tragically in an automobile accident, but because of his giving nature. Mr. Stratton's remembrance, then began long before this day.

The teaching profession, the students, past and future, the school, and the community can never replace Mr. Stratton — we could never hope to. What we have is the good, the gracious, and the greatness that are all parts of our fond memories, and God's gift of human talent.

> We miss him, we love him, and as students who experienced his nature, will carry forward our great respect into all the coming tomorrows . . . God bless us all, and may we wish God's blessings upon Mr. Stratton.
>
> *"Wherefore by their fruits ye shall know them."*

Cassie,
May you seek all the best
that the world has to give.
May you never stop learning
for as long as you live
As you reach for the future
that is heading your way
May you find your tomorrow
In the heart of today.
You'll always be our special child.

Love Always,
Dad and Mom

Congratulations *Belinda*
We're proud of you!
